Company Overview

ABRIGHT RESOURCES CORPORATION was established last June 10, 2013, primarily to be a supplier of bi-metallic conductors, electrical connectors, steel poles, insulators, distribution transformers, pole line hardware, and other electrical materials for the energy industry.

Abright Resources Corporation, with over a decade of industry experience, is the sister company of CRA Trading, known for its remarkable 31-year track record in the electrical supplies trading sector and its reliable provision of electrical equipment to a diverse range of clientele, including electrical supply traders, contractors, electric cooperatives, and distribution utilities.

Photo of Sample Products

Electrical Connectors and Clamps

CADC - ALUMINUM WEDGE TYPE CONNECTOR

CAEN - ALUMIMUN WEDGE TYPE CONNECTOR WITH STIRRUP

GLV - HOTLINE CLAMPS

GPB - BRONZE PARALLEL GROOVE CLAMP

Conductors

CS - COPPERSTEEL SOLID AND STRANDED CONDUCTORS

AS - ALUMOSTEEL® - ALUMINUM CLAD STEEL

CAS - ALUMOSTEEL WIRE ROPES

ICALCD
