Company Overview

Jehan Corporation was established in 2006 with a vision of being a complete provider of SF Equipment for Telecom Industry.

From sourcing to the development of products, what the company offers is compliant, efficient and has a value for money.

As of this day, Jehan Corporation was awarded multiple contracts that lead to our billion-peso sale, for support facilities and services

Jehan Corporation's values reflect that of leadership and has since been considered one of the best providers of power, telecom and innovative technology products and services.
