MAKE IT HAPPEN
THE PHILIPPINES

Rationale

Philippine Energy Plan (PEP) 2023-2050

- 35% RE share in the energy mix by 2030;
- 50% by 2040; and
- more than 50% by 2050

Transformative Policies

- RE Act of 2008;
- Corporate Recovery and Tax Incentives for Enterprises (CREATE) Act);and
- Tatak Pinoy (Proudly Filipino) Act (R.A. No. 11981)

Renewable Energy Nexus for Economic Wins: Supply Chain Mapping of RE Technologies (**RENEW**) Project

Objective

- To support the country's sustainable transition to cleaner energy.
- To localize the RE technology parts and equipment.

Project Description

- Stakeholder Engagement Mechanism
- Supply Chain Mapping and Industry Database
- Dissemination platform

MAKE IT HAPPEN THE PHILIPPINES

Renewable Energy Nexus for Economic Wins: Supply Chain Mapping of RE Technologies (**RENEW**) Project

Project Timeline

Activity	June	July	Aug	Sept	Oct	Nov	Dec
Drafting of concept note and online forms							
Dissemination of approved letters, concept notes, and forms to industry							
Assessment of responses from the industry							
Possible RTD on the BOI supply chain map initiative							
Populating the Supply Chain Database							
Development of the microsite/platform							
Platform launching							

Expected Outputs

- ❑ Philippine RE supply chain map
- ❑ Online RE supply chain database
- ❑ Updated industry value propositions for investment promotion
