

ALEXANDER PITUK

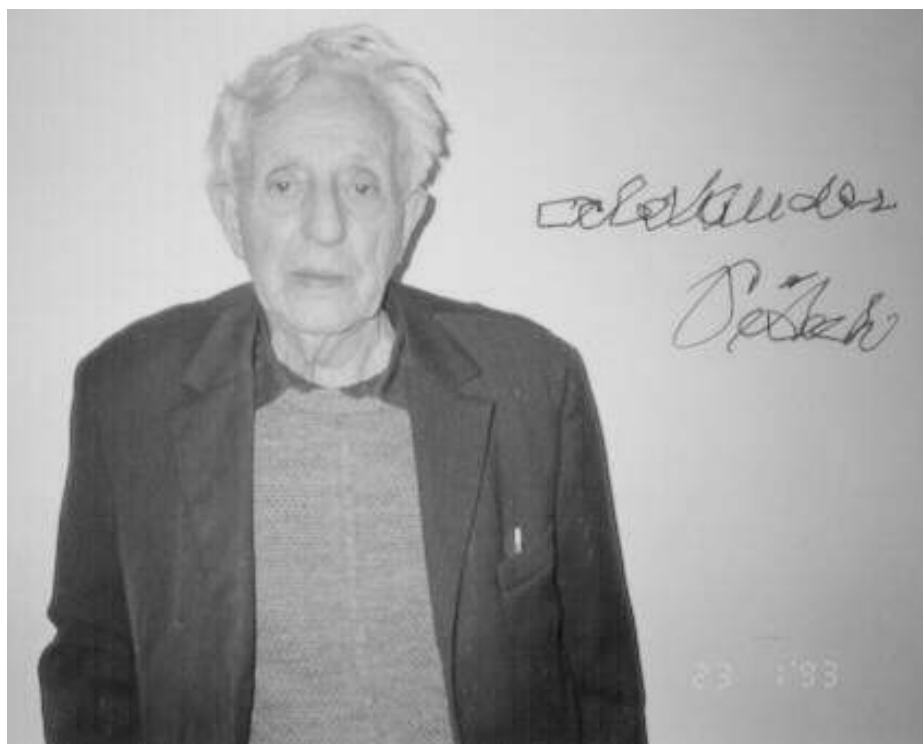

Chess Compositions I.
1927-1961

(c) Gabriel Török, Zoltán Labai
Nové Zámky, Slovakia, 2005

ALEXANDER PITUK

*26.10.1904 Banská Štiavnica + 30.4.2002

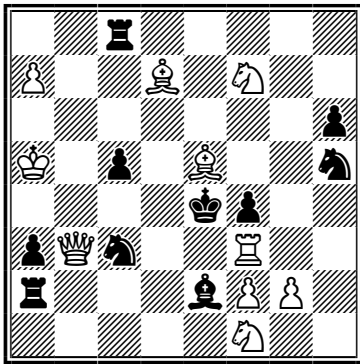

Klasik, nestor slovenských šachových skladateľov, zaslúžilý majster športu, čestný medzinárodný majster šachovej skladby PCCC, majster FIDE, medzinárodný rozhodca FIDE v kompozičnom šachu a nositeľ Výročnej ceny mesta Banská Štiavnica, spojenej s diplomom a medailou UNESCO. Ale najmä autor 584 skladieb (z ktorých 60 získalo ceny na turnajoch) a azda 25 rokov najlepšie česko-slovenský skladateľ dvojťažiek, dvojnásobný majster republiky, dlhé roky na Slovensku náš kompozičný vzor. A výborný človek, spoľahlivý priateľ, múdry radca, obľúbený spoločník, ktorého nikdy neopustil humor, duševne mimoriadne čulý a skladateľsky aktívny až do posledných mesiacov života. Jeden zo zakladajúcich členov slovenskej organizácie kompozičného šachu (1952), takmer 50 rokov člen jej vedenia, niekoľko rokov jej predseda a potom až do smrti čestný predseda. Brožúra obsahuje kompletnú Pitukovu tvorbu.

A classic doyen of Slovak chess composers, Meritorious Master of Sport (in Czecho-Slovakia), PCCC Honorary Master of Chess Composition, FIDE Master for Chess Compositions, International Judge of the FIDE for Chess Composition, and holder of the Annual Prize of the city of Banská Štiavnica, and recipient of a UNESCO certificate and medal. But mainly an author of 584 compositions (60 of them prizewinners in tournaments) and perhaps for 25 years the best Czecho-Slovak twomore composer, twice champion of the republic, for many years the model for composers living in Slovakia. And an excellent human being, reliable friend, clever adviser, muchloved companion, with a fine sense of humour, mentally extraordinarily quick and compositionally active until the last months of his life. One of the founder members of the Slovak organization for chess composition (1952), for almost 50 years a member of its board, for several years its president and then, until his death, an honorary president. The booklet contains all of Pituk's compositions
