

First and foremost, if you're hungry, go up to the bar and place your order. We are — and always have been — a bar. Not a pizzeria, not a restaurant and not your mama's house. The LBT is a good ole-fashion watering hole with a pretty killer pizza. We've been doing this a while, and we definitely didn't get this far on a wing and a prayer.

Our history spans 20 years, and some of our bartenders have been here just as long. The Loaded Barrel Tavern is known to the most loyal of regulars as "The D." Just a few short years ago, we were known as The Distillery Tavern. Since then we've survived a location change and a name change. Being the best bar in Bradenton has created some trials and tribulations, but we have always stayed true to the people who frequent our establishment. As a result, The LBT has become a second living room to many, and well, we like it that way.

Stop by for Happy Hour, seven days a week from open until 6pm. We also feature drink specials throughout the week. But, please don't ask for buckets or pitchers — buckets are for those who can't handle their drinks, and pitchers are for Facebook. Our bartenders are more than happy to give you all the details. Kids are awesome, and some of us here have several. But, we like to remind our friends that this is a drinking establishment. Please don't get upset because we prefer to spare your children the adult conversation. Daycare doesn't serve beer, and we don't serve kids. Seems fair enough.

We take pride in what we do, and we have a great time doing it. If you're looking for a relaxed atmosphere to shake off the day's challenges, then you have found the right spot. We hope you enjoy The Loaded Barrel Tavern as much as we do. Before you know it, you'll be a regular too. Welcome home.
