

MUTUAL AID is one way to describe acts of love you do for others or the world around you. Mutual aid is all about fixing a gap and seeing what you can do about it together! It can be tricky to start big projects, so here's some things you can do on your street! Hopefully, this can help you figure out what you can do in times of need or give you a place to start!

MUTUAL AID

MAPPING YOUR STREET

- THINK ABOUT:
- hard skills you are good at (cooking, woodwork, gardening)
 - soft skills you are good at (listening, mentoring, childcare)
 - skills you want to learn +
 - how you can share them
 - how you can make new local friends

mutual aid is love!
