Warehousing and Laydown Yards

Our 10-acre facility, strategically located in an industrially zoned area at Rome, was purpose-built to standards and specifications to serve oil and gas operators.

This state of the art facility is located in close proximity to other oil and gas service providers and comprises of:

- > 40,000 sq. ft. of inside storage area
- > 5,000 sq. ft. of office area

- > 390,000 sq. ft. of compacted open laydown area
- > Complete with fully functional offices, security, and operating personnel

Transport and Cargo Handling Equipment

We have a wide-range of transportation and cargo handling equipment including:

- > Trucks
- > Trailers
- > Sideloader
- > Extendible trailers
- > Low bed trailers
- > Drop deck trailers
- > Telehandlers
- > Emergency Service vehicle – welding plant, small crane, torches, tools
- > Tipper/dump trucks
