

WONDER WORKS

Whether it was through the healing of the sick, calming of a storm, or feeding of the five thousand, the idea of miracles today seems unlikely or, for some, out of the question. Join us for this 8 week series as we uncover how the power of Jesus laid the foundation for his ministry and how it can lay the foundation for our faith even still today.

BIBLICAL TRUTH

SERMON SERIES - Quest 52. We are in a year long series using the book Quest 52 by Mark Moore. If you have not purchased a book yet, they are available on Amazon. Reading plans and series study guides are available at the Next Step Station or the desk located in the back foyer.

MISSIONS MOMENT - Sainsurin Jean-Baptiste serves as our Living Link Missionary in Gonaïves, Haiti. As his Living Link partner church, we provide the primary support that enables his ministry to thrive. Through Sainsurin's leadership, seven churches and schools in the Gonaïves region are actively sharing the gospel, educating children, and strengthening their communities. We are grateful for the opportunity to stand with him in this important work. Fourteen percent of all giving goes into our Missions Fund. Thank you for being so generous!

NEXT STEP STATION - FREE Resources Available. Check out the amazing resources available to help you and others grow in their journey with Jesus. **Know Jesus** will help you lead someone to Christ. **Making Disciples** helps you to become more like Jesus. **Discover Your Shape** so you can use the gifts God has given you. Try the **Steward Challenge** on becoming a generous giver.
