GETTING MARRIED IN MAINE

HOW TO GET A MARRIAGE LICENSE

WEDDING SERVICES

Marriage licenses are issued at the town or city level. The couple must visit the town office in person to apply for the marriage license.

- If both of you are residents of the state of Maine, you should both apply at the town office where at least one of you is a resident. If you are residents of different Maine towns, you both may apply in one town or the other – you do not need to apply separately in each town.
- If one of you is from out of state, then both of you should apply in the town where one holds residency.
- If neither of you is a resident of Maine, then you may apply in any Maine town office. It need not be the same town where you plan to be married. You can apply for your marriage license at the Wells Town Hall Clerks Office located at 208 Sanford Road, Route 109 in Wells. Hours: 9am–3:30pm, Mon–Fri. 207-646-2882 www.wellstown.org

Your marriage license is valid for 90 days and can only be used within the State of Maine. There is no waiting period from the time your license is issued until your wedding can take place. The person performing the ceremony is responsible for filing the marriage certificate with the town office that issued the marriage license.

REQUIREMENTS

To obtain a marriage license:

- Photo ID such as a driver's license, passport or state ID may be required.
- If this is not the first marriage for one of you, bring a certified copy (raised seal) of the divorce form or death certificate of the last spouse.
- Applicants must be over 18 years old. Written parental consent is required for an applicant under 18. Written parental consent and written consent of a judge are required for an applicant under 16.
- No blood test is required.
- You may want to check with the municipal clerk where you are filing beforehand to find out what that municipality's policies are.
- Same sex marriages are legal in Maine.
- Two witnesses are required.

OFFICIANTS

The following individuals are authorized to perform marriages in Maine:

- Ordained ministers of the gospel.
- A person licensed to preach by an association of ministers, religious seminary or ecclesiastical body.
- Judges or justices (residents of Maine only).
- Lawyers admitted to the Maine Bar (residents of Maine only).
- Maine Notaries.

Maine does not have Justices of the Peace. Out-of-state Notaries and Justices of the Peace cannot officiate weddings in Maine. FMI, check the state of Maine website www.maine.gov
