Our Journey: 2004 to Today

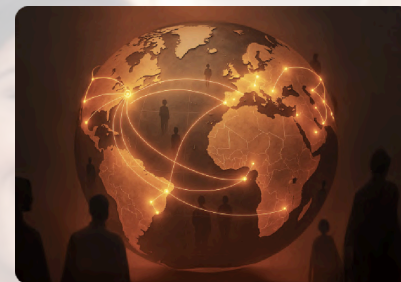

2004

Established robust trading technology and infrastructure

Gained initial market traction with tight spreads and large liquidity pools. Built a strong foundation with a focus on client-centric services.

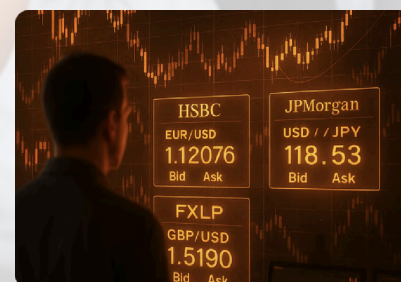

2006 – 2010

Expanded services to over 50 countries, reaching a diverse clientele

Developed a multilingual customer support team to cater to global clients. Introduced commission-free accounts to attract retail traders. Global Operational Expansion.

2011 – 2015

Implemented real-time quotes from major banks and LPs

Launched pioneering trading systems and flexible account types. Enhanced the trading platform with fast deposit and withdrawal options. Technological Advancements.

2016 – 2020

Provided regular account statements and the latest economic news

Developed a variety of payment options for client convenience. Strengthened customer support with an emphasis on excellence and multilingual capabilities. Enhancing Client Services.

2020 – 2021

Resilience in a Global Crisis

Demonstrated strength, stability, and trust during one of the most turbulent times in modern markets, while others faced challenges.

2022 – 2023

Expanding the Vision

Embracing New Markets, Products, and Strategic Direction. We have transcended conventional brokerage practices by exploring new markets and products, while also adopting a fresh strategic direction. Additionally, we've introduced innovative technology to enhance our offerings.

2024 – 2025

Leading the Future of Trading

An all-encompassing ecosystem that seamlessly merges brokerage services, proprietary trading, and innovative social trading solutions, enhanced by advancements in artificial intelligence.

2025 – 2026

Local Depositor

A Local Depositor (LD) is a verified intermediary who processes your local deposits and withdrawals. You choose an LD from your country, confirm details in your Client portal, and the LD transfers funds between their wallet and your trading account. It's fast, secure, and built for convenience.

Opportunity to Become LD

Eligible clients can request Local Depositor status.

Direct Coordination

Contact details are shared so you can align timing and method.

Local Convenience

Fund and withdraw with local payment options, including cash where supported.

Fast Processing

Local handling shortens settlement times and reduces friction.

Flexible Access

Use LDs when needed or switch to standard payment rails anytime.

Trusted Intermediaries

Work with verified LDs matched by your country.

Local Depositor Feature

Use trusted Local Depositors to fund and withdraw with familiar local methods. Select an LD in your Client Area, connect, and move funds quickly with full visibility and control.
