Police Report:

crime report for the area covering the month of January
Beat 31/32 – 54 crime reports.

Various types of crime in the area were discussed but assurances of no major crimes or unusual behaviour.

The cc was informed that the identified local community police contact will be PC Eddie McNeil

A discussion around road safety at the top of Boydstone Road was again brought to the fore by the residents and anti-social behaviour in the area was discussed.

Community Business:

The main object of this meeting was to inform the community of the lack of support/membership the community council for the area has. Membership has dropped to 5 and it is no longer possible to have a quorate meeting.

Steven Dowling (Community Council Officer, GCC Democratic Services) explained the situation the cc is in, advising that we need to have more members. 6 residents showed interest in joining the cc and their details were collected by SD. He will keep in touch with the CC members and help us through the policies and procedures that need to take place to enable new membership. SD then left the meeting.

Taking into consideration all the information given those in attendance thought it best to lower the constituted membership to 12 which should make quorate meetings materialise. This decision will be taken into consideration at the next quorate meeting of the CC.

Everyone was thanked for their help and attendance.

Date of Next Meeting: **Monday 27 February 7.30 pm**
(Carnwadric Community Hall. 10-12 Kiloran Street)
