In meetings free of judgement and condemnation, you will find you are not alone. The meetings are in person and on zoom. Faith isn't always easy. Sometimes we trust, and sometimes we question. In this series, we'll explore what it means to wrestle with faith — to be honest about our doubts, our fears, and the moments when belief feels hard. Through Scripture, stories, and real conversations, we'll discover that God meets us not just in certainty, but right in the struggle. (Bowling outing 5/1)
