Equans Process Solutions

With two offices in Italy and others throughout Europe, Equans Process Solutions is the new name for a serious and competent company that has been working with industrial process plants for over 90 years.

2.1 History of Equans Process Solutions in Italy

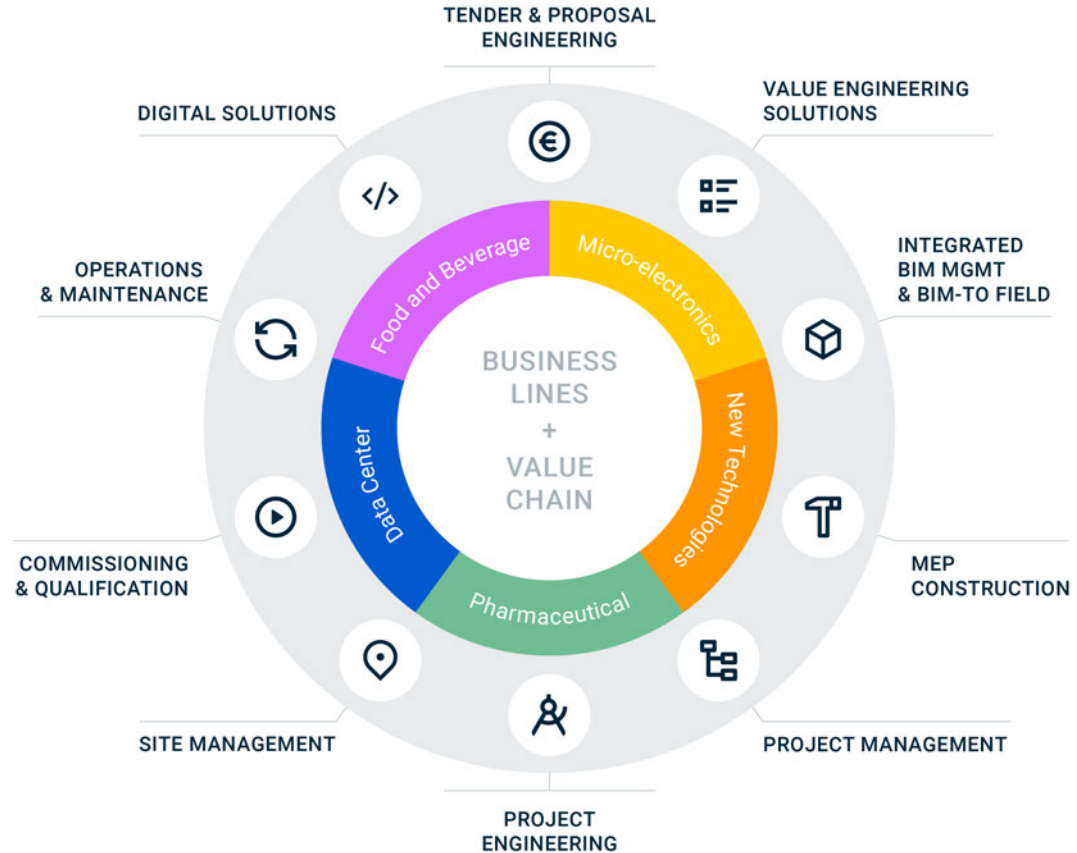

- **1933** Foundation of the company by **Augusto Castagnetti**, the business began by offering sanitary, plumbing and heating installations.
- **2001** Acquisition of Augusto CASTAGNETTI by **Gaz De France** to address the Pharmaceutical market.
- **2008** Gaz De France merges with Suez to become **GDF SUEZ then ENGIE**, a global player in energy and the energy transition.
- **2009** Changeover from Castagnetti SPA to **OCIS Omega Concept Impanti e Sistemi SPA**
- **2022** Birth of **EQUANS Global**, leader in multi-technical service, and acquisition of **OCIS**.
- **2026** OCIS changes its name and becomes **the Italian branch of Equans Process Solutions**.

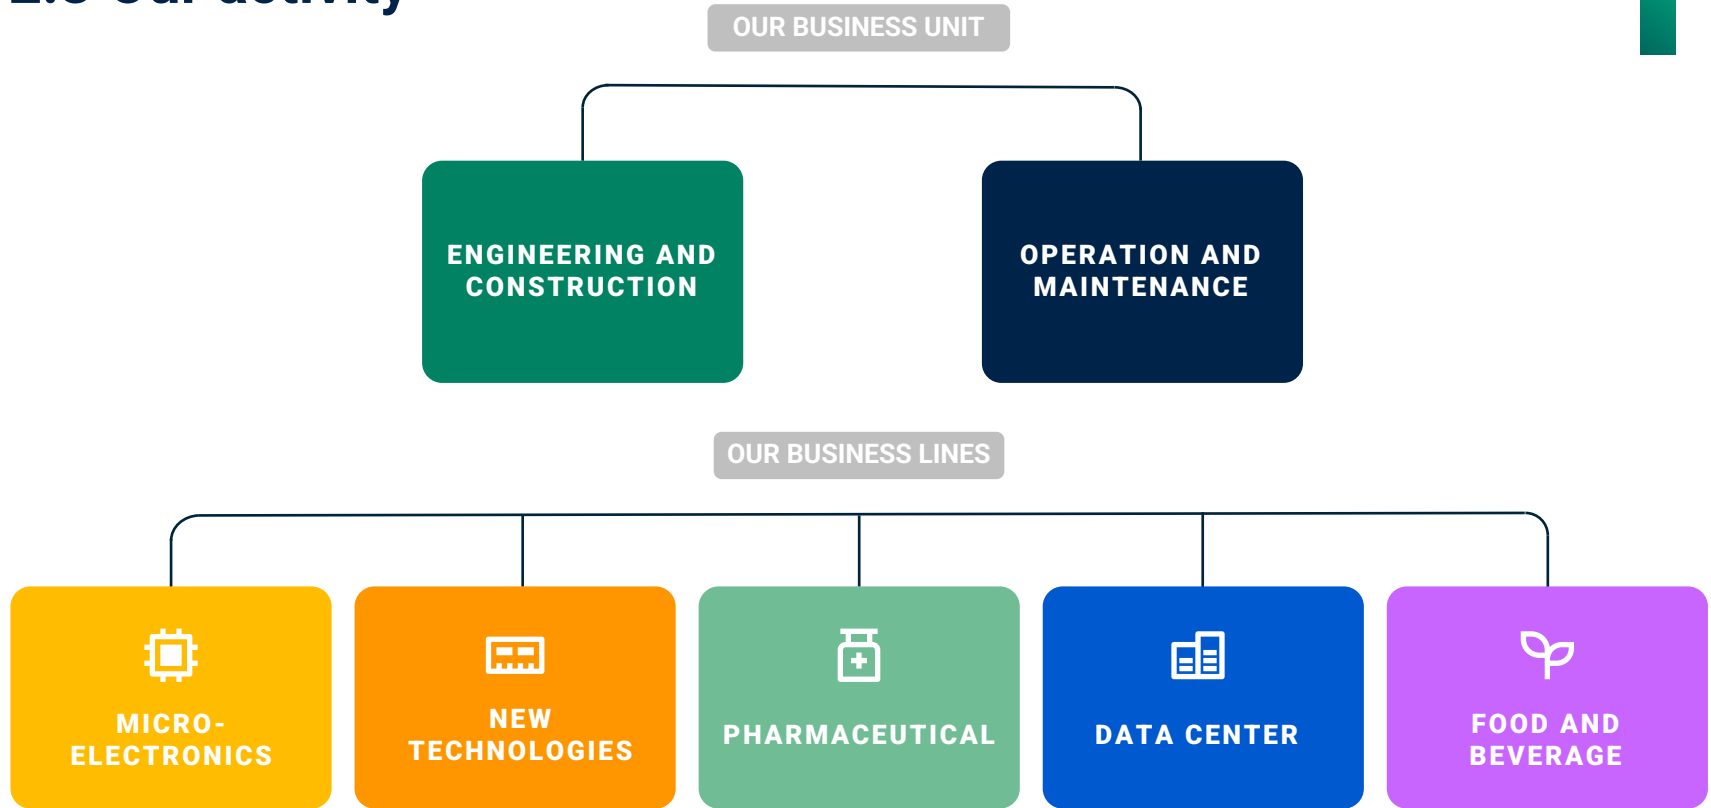

2.2 Our mission

Equans Process Solutions Italy is a leading partner specialized in the **engineering and construction** of complex **Industrial Process Plants**.

Through our end-to-end value chain, we merge advanced design with field operations, providing full-scale execution as a General Contractor.
