# MAKING WAY FOR A JUST, PEACEFUL, AND FEDERAL DEMOCRATIC MYANMAR

We are Justice For Myanmar, a covert group of activists using research, data visualisation, and reporting to expose and dismantle the business networks that fuel brutality, corruption and mass-scale suffering in Myanmar.

[JUSTICEFORMYANMAR.ORG](https://justiceformyanmar.org)

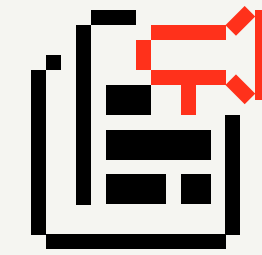

# Get breaking news and exclusive access to covert investigations

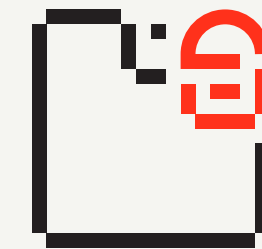

Justice For Myanmar publishes deeply-researched investigations that expose the Myanmar military's business interests, based on verifiable, open-source data and leaks that expose the dark, tangled networks of military business ties.

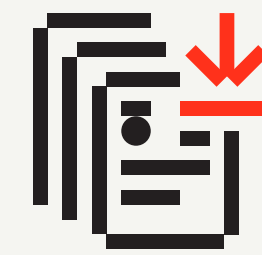

We provide journalists with access to:

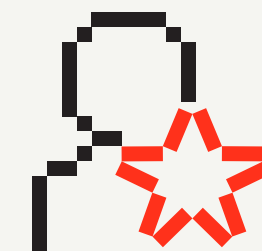

**Breaking news** and investigations from Myanmar

**Exclusive access** to new data about the Myanmar military's dirty business dealings with international corporations and governments

**Downloadable information** to support investigations, articles and features about Myanmar

**Expert commentary** on the military cartel and the crisis in Myanmar

## JUSTICE FOR MYANMAR in the news

### The New York Times

---

#### Myanmar's Military Deploys Digital Arsenal of Repression in Crackdown

'Hundreds of pages of Myanmar government budgets for the last two fiscal years viewed by The New York Times show a voracious appetite for the latest in military-grade surveillance technology.

The documents, **provided by Justice For Myanmar**, catalog tens of millions of dollars earmarked for technology that can mine phones and computers, as well as track people's live locations...'

#### Exclusive: Myanmar junta chief family assets found in Thai drug raid

'The document was **obtained by Justice for Myanmar** and independently verified by Reuters with two sources with knowledge of the case... A spokesperson **for the activist group Justice for Myanmar** said the discovery also

indicated Min Aung Hlaing's family was hiding assets in Thailand and urged the Thai government to take "urgent action to prevent it from becoming a safe haven for Myanmar war criminals...'

OF INVESTIGATIVE JOURNALISTS**

## Myanmar's controversial timber trade persists, despite Western sanctions

'Yadanar Maung, a spokesman for the human rights advocacy group **Justice for Myanmar**, said... "It's unacceptable that Myanmar teak imports to the U.S. and EU are happening at all" three years after the coup, Maung told ICIJ. "The sale of teak

helps the junta pay for the bombs and jet fuel it needs to slaughter Myanmar people," Maung said. "No yacht is worth the price of blood Myanmar people are sacrificing for..." this abhorrent trade."

**THE WALL STREET JOURNAL.**

## U.S. Faces Pressure to Sanction Myanmar's Lucrative Energy Industry

'Previously unpublished letters **obtained by the advocacy group Justice for Myanmar** and reviewed by The Wall Street Journal illustrate how important revenues from the industry are to the country's military. The

letters, between military officials and Myanmar Oil and Gas Enterprise and dated in early November, appear to show junta leader Min Aung Hlaing ordering the state-owned company, known as MOGE...'

## Birmanie : comment Total finance les généraux à travers des comptes offshore

'« Des centaines de millions de dollars de revenus du gaz, qui devraient revenir au peuple birman, alimentent des comptes offshore contrôlés par une junte illégale qui mène une campagne de terreur contre les Birmans », dénonce

Yadanar Maung, **porte-parole de l'ONG Justice for Myanmar**. L'organisation, qui a écrit au groupe français, appelle Total à suspendre ses paiements à la junte militaire et à placer ces profits sur un compte protégé jusqu'au retour...'
