Moving Checklist for Kids...

- Make a list to ask your parents about all the neat things in your new town
- Go visit all of your favorite place in your current town (like the park or your favorite restaurant) before you move
- Draw a plan for the super-cool bedroom you are going to have in your new home
- Decide what is most important to you in your room now
- Make a list of all of your best pals, and get each ones phone number and address
- Sort all your toys into 3 groups: things you want, things to throw away, and things to give to other kids
- Ask your parents about other things in the house that you can help pack
- Create your own personal label to put on your boxes, so you will know what is yours
- Pack some things to take with you on the trip to your new home (like games, CD's or books)
- When you move in your new home, memorize your new phone number and address
- Write a letter to your friends describing what your new home is like
- When you move in your new home, make a list of all your favorite things about where you live now

What Makes Your Room “Yours”?

What are your favorite things that make your room special?

Write your list of favorite things on the moving box below.

Pack a special box with your favorite things in it.

Use your Sun Stickers to mark your boxes

TIP: If your special box can't travel with you, put it on the van last. It will be unloaded first. Unpack it first to make your new room feel like home.

Pack your Pets Too!

Make sure your pets know that they are moving with you.
Your pets need their things to feel safe and happy.
Old favorite toys with old smells are best.
Have plenty of your pets' favorite
treats to reassure them.

COLOR YOUR PETS HAPPY!

TIP: Be sure your pets wear their tags with your new phone number.
