THE MAGIC CONCOCTION

Ignite the Spark

Magic Movement provides Corporate Social Responsibility (CSR) Training and Certification Programs to equip stakeholders with the relevant CSR knowledge to help them kick-start programs, fostering a sense of social responsibility among the corporation.

Being the Bridge

Magic Movement serves as a transformative force to bridge the gap between corporations and non-profit organizations to collaborate for meaningful CSR Programs.

Action into Reality

Magic Movement strives to ensure an efficient and smooth delivery of CSR Programs through the provision of end-to-end services, which include program planning, liaison, budget allocation, and execution.

Bag that Impact!

Magic Movement's specially designed fulfillment matrix allows corporations to measure whether their objectives have been met. The fulfillment matrix also enables the generation of a CSR report, providing a transparent summary of results, analysis, and recommendations for future actions.
