Rizing's Expertise

Across the Human Experience Management (HXM) Suite

SAP SuccessFactors

SAP SuccessFactors is a leading suite of cloud-based talent management and human experience management (HXM) software. Deliver experiences that keep every person in your organization engaged and productive, with mobile self-services to support them wherever and whenever they work.

qualtrics.XM

The Qualtrics XM Platform™ measures employee engagement and sentiment anywhere in the talent lifecycle. View comprehensive workforce health and engagement data in real-time.

workforce SOFTWARE

Rizing is a qualified Workforce Software partner. This solution streamlines employee work management by arranging, documenting, and administering schedules, paid time off, attendance tracking, and labor compliance requirements.

Lyra

Rizing's advanced people analytics solution harmonizes legacy system data with full integration to SAP SuccessFactors. Built on SAP Business Technology Platform and SAP Analytics Cloud using SAP Datasphere.

Rizing People SAP® Qualified Partner-Packaged Solution

Powered by SAP SuccessFactors, Rizing People enables the entire talent lifecycle, empowering small and mid-sized companies to realize their people's full potential and create a resilient and sustainable workforce.

Rizing Payroll SAP® Qualified Partner-Packaged Solution

Powered by SAP SuccessFactors Employee Central Payroll, Rizing Payroll makes the world's most comprehensive payroll product - SAP Payroll - available to organizations with 100 or 10,000 employees. It offers scalable and transformative SAP capabilities and outsourcing flexibility.

RAVEN INTELLIGENCE

40+ reviews | 4.7/5
