

MaxPreps is the “Official Source of Scores and Stats” for the Ohio High School Athletic Association. The OHSAA partnership with MaxPreps provides great opportunities to promote your team and players and enables the OHSAA to efficiently manage regular-season schedules, regular-season standings, state records, media publications and more. All data entered on MaxPreps automatically populates the OHSAA website. The OHSAA recommends all coaches enter their schedule, scores, roster and team photo on MaxPreps. Coaches are encouraged to submit statistics for inclusion on statewide stat leaderboards.

1. What do coaches need to do? The OHSAA recommends coaches enter their roster, schedule and team photo at the start of each season, report scores immediately after each game and enter player statistics to appear on statewide stat leaderboards.

2. What do Athletic Directors need to do? Athletic Directors need to communicate with coaches to keep their scores and other team information updated. While MaxPreps recommends coaches are responsible for their own team information, Athletic Directors can also control every single team page from their “School Administration” page on MaxPreps.

3. How do I get started? Coaches and Athletic Directors can [register here](#) by simply entering their email and following the prompts. If you are already a MaxPreps member, simply login in the top right corner using your current credentials.

4. Does MaxPreps have an app? Yes, the MaxPreps App allows coaches to update a score on their phone after the game. Coaches can also manage their schedule, stats and roster. The free app can be downloaded by ADs, coaches, athletes and parents from the [iTunes app store](#) and the [Google Play store](#).

5. Is MaxPreps compatible with other stat programs? Yes! In addition to MaxPreps’ own mobile, tablet and desktop tools ([MaxPreps Advantage](#)), MaxPreps is compatible with over 80 different stat companies across multiple sports. [Click here to see MaxPreps’ stat partners](#).

6. Can coaches allow a team statistician or assistant coach to help manage their team information? Yes! Once the coach has access to their team page, they

can give other individuals access to their page to help keep their team information accurate and up-to-date. Fans, parents, communities, college athletic departments and media outlets rely on this information.

7. Can I send my information to the media after each game? Yes, after scores and/or statistics are entered into MaxPreps, coaches may send that information to multiple media outlets at the same time. [Click here for instructions](#) on how to send boxscores and season statistics to media.

8. How can fans participate with their teams? Parents, fans and/or team personnel can [provide live scoring updates](#) on their mobile device during the game and post pictures, video and chat with others. All scores/updates will be available statewide on the OHSAA Scoreboards and sent to those who follow the team.

9. Who can I contact with additional questions? Coaches and ADs may contact MaxPreps state representative Eric Frantz at efrantz@maxpreps.com, or may direct questions to MaxPreps coach support at support@maxpreps.com, or 800-329-7324 x1.

MaxPreps also has a support website at support.maxpreps.com that can help answer specific questions such as how to enter scores, schedules, rosters and stats, how to upload a team photo, how to sync with stat partners, etc.
