WHO MAY ATTEND

All scientific activities, meetings and exhibits, at the Kiel Auditorium will be available to physicians who are members in good standing of their local and state medical societies. Those not members of the Southern Medical Association will show membership card evidencing membership in their local and state societies. All activities at the Kiel Auditorium will be available to residents, interns, medical students, technicians and nurses. There is no registration fee at Southern Medical Association meetings.

ENTERTAINMENT

Tuesday evening will be an evening of fun and good fellowship. There will be a dinner, Dr. Hamilton W. McKay, President, Charlotte, North Carolina, presiding, with an outstanding program of entertainment, a surprise that will delight everyone present, at the Jefferson Hotel, Gold Room, 7:30 p.m., followed by a dance in the Ivory Room. Everyone is urged to attend this evening of "food, fun and frolic." Invocation will be given by Rev. Edward T. Foote, S.J., Regent, St. Louis University School of Medicine, St. Louis, Missouri. Dr. Victor E. Scherman, St. Louis, is Chairman of the committee arranging for this evening of entertainment. Cocktails will be served in the Crystal Room, 6:30 to 7:30 p.m.

The radio program, "Cavalcade of America," broadcast from New York, dramatizing the life story of Dr. J. Marion Sims, based upon the recent popular book entitled "Woman's Surgeon" by Dr. Seale Harris, a Past President of the Southern Medical Association, Birmingham, Alabama, will be presented in the Ivory Room, 7:00-7:30 p.m. The part of Dr. Sims will be portrayed by the movie star, Ray Milland, who received the Oscar for his part in the movie, "The Lost Week End."

ST. LOUIS MEDICAL SOCIETY

The St. Louis Medical Society, host to the annual meeting of the Southern Medical Association, has a long and enviable reputation in the history of American medicine. The records of its founding in 1835 and the minutes of its early meetings are still in existence. The dozen practitioners, who at that time formed an outpost of progressive medical thought, were well educated and well trained, most of them in the European centers, some of them in Ohio and Kentucky. Their discussions centered about such problems as the miasmas, childhood fever, diphtheria and, prominently, delirium tremens. It was at their instigation that the early medical schools were formed, which through a series of metamorphoses and reincarnations became the two present great medical schools, Washington University and St. Louis University.

On the rolls of the St. Louis Medical Society are found many well-known names of authors and investigators. It has a membership of 1,339.

The first meeting place, the "Masonic Hall" of that period, was supplanted by increasingly capacious quarters until today the Society is housed in its own magnificent modern building at 3839 Lindell Boulevard. Here under the auspices of the President and his local committees, it will extend the hospitality of the Society to its welcome guests.

The officers of the Society are: Dr. Armand D. Fries, President; Dr. Alphonse J. Raemdonck, First Vice-President; Dr. William F. Wagenbach, Second Vice-President; Dr. Sam J. Merenda, Secretary; Mr. John G. Miller, Executive Secretary; Miss Aileen M. Patton, Assistant Secretary; Dr. Harry R. Echterhoff, Treasurer; Dr. R. Emmet Kane, Editor Emeritus; Dr. Edmund A. Smolik, Editor; and Dr. Jerome I. Simon, Associate Editor.

DANIEL DRAKE EXHIBIT

The Library Committee of the St. Louis Medical Society extends an invitation to those attending the Southern Medical Association meeting to see the Daniel Drake Exhibit which is housed in the main corridor of the Society's building, 3839 Lindell Boulevard. The building is open from 9:00 a.m. to 5:00 p.m. daily, except Saturday when it is open 9:00 a.m. to 12:00 noon.

This Exhibit was assembled to commemorate the hundredth anniversary of the publication of Volume 1 of Daniel Drake's monumental work, "A Systematic Treatise, Historical, Etiological and Practical, on the Principal Diseases of the Interior Valley of North America."

ST. LOUIS COUNTY MEDICAL SOCIETY

In addition to the St. Louis Medical Society there is a St. Louis County Medical Society for the physicians living in St. Louis County outside the independent city of St. Louis. The County Society has a membership of 350 and is cooperating with the host society in making the St. Louis meeting a great success. The officers of the Society are: Dr. James R. Meador, President; Dr. Sigmund Tashma, Vice-President; Dr. Louis F. Howe, Secretary; Dr. John O'Connell, Treasurer; Dr. Clyde P. Dyer, Editor; and Dr. Martyn Schattyn, Associate Editor.

WOMEN PHYSICIANS

The thirty-sixth annual meeting and dinner for the Women Physicians of the Southern Medical Association will be held at St. Louis, Wednesday evening, November 15 at 7:00 p.m. at the Jefferson Hotel, private dining room number 7. Dr. Ruth G. Aleman, New Orleans, Louisiana, Chairman of the Women Physicians of the Southern Medical Association, will preside.

Dr. Ellen S. Loeffel, St. Louis, will speak on "The History of Medical Women of St. Louis."

Dr. Grace S. Mountjoy, 4032 West Florissant, St. Louis, is Chairman of the Committee for Women Physicians, and associated with her are Dr. Grace E. Bergner, Dr. Joan M. Goebel and Dr. Mary E. Morris.

GOLF TOURNAMENT

The twenty-seventh annual golf tournament for men of the Southern Medical Association will be held, weather permitting, at the Algonquin Golf Club, 340 North Berry Road, Glendale, St. Louis County, Tuesday and Wednesday, November 14 and 15. Tournament play will consist of one eighteen hole round of medal play and entrants are privileged to play any time Tuesday and Wednesday. The score cards for the tournament round will be obtained from the Committee and turned in after the tournament round of play. It will facilitate handicapping if participants will bring a statement of their club handicap with them. Each golfer is requested to wear the official badge for identification when visiting the golf club. All golfers are urged to bring their own clubs, although a limited supply of excellent rental clubs is available.

The three major trophies to be played for again this year, which must be won three times by the same golfer, are the *Daily Oklahoman* and *Times* Cup, in play since 1938, for low gross, junior class (physicians under 50 years of age); the Ralston Purina Cup, in play since 1935, for low gross, senior class (physicians over 50 years of age); and the *Dallas Morning News* Cup, in play since 1925, handicap for low net.

All participants in this golf tournament must be properly registered at the Southern Medical Association registration headquarters, Municipal Auditorium, and have the official badge to be accorded the privilege of the Algonquin Golf Club course. Greens fee \$3.00 each.

Dr. Cecil M. Charles, 3720 Washington Boulevard, St. Louis, is Chairman of the Golf Committee, and associated with him are Dr. Grayson Carroll, Dr. Charles E. Martin, Dr. Reuben M. Smith, Dr. James R. Meador and Dr. Victor F. Kloepper.

ALUMNI REUNIONS

At the time this program went to press arrangement had been made for the following alumni reunions:

Emory University School of Medicine, Emory University, Georgia, Jefferson Hotel, Wednesday, November 15, 7:00 p.m., Dr. Leonard T. Furlow, 3720 Washington Boulevard, St. Louis, Local Chairman.

University of Virginia School of Medicine, Charlottesville, Virginia, Jefferson Hotel, Wednesday, November 15, 7:00 p.m., Dr. A. C. Stutsman, 3720 Washington Boulevard, St. Louis, Local Chairman.

TRAP AND SKEET SHOOTING TOURNAMENT

After very careful consideration of some unusual conditions in connection with trap shooting, it was decided to omit the Trap and Skeet Shooting Tournament this year.

LUNCHEON CLUBS

The following luncheon clubs of St. Louis extend a most cordial invitation to all members in attendance upon the Southern Medical Association meeting who are members of these clubs in their home city to have lunch with them:

Rotary Club, Thursday, November 16, 12:00 noon, Statler Hotel.

Civitan Club, Friday, November 17, 12:15 noon, Statler Hotel.

GENERAL HEADQUARTERS

*Registration, Meeting Rooms, Exhibits, Information,
Mail, Etc.*

Kiel Auditorium

The General Headquarters (Registration, Information, Mail, Etc.), located at the Kiel Auditorium, will be open on Monday, Tuesday, Wednesday and Thursday, November 13-16, from 8:00 a.m. until 6:00 p.m. Here will be issued badges and programs, and matters concerning dues, changes of address, errors, etc., will be given attention.

The Information Bureau and Convention Post Office will be in connection with Registration Bureau. Competent persons will be in charge to give any information or serve the physicians in any way possible.

EXCERPTS FROM THE BY-LAWS

Sec. 3. Except by special order, the order of exercises, papers and discussions as set forth in the official program will be followed from day to day until it has been completed, and all papers omitted will be recalled in regular order.

Sec. 4. No address or paper before the Association, or any of its sections, except the addresses of the President and Orators, shall occupy more than twenty minutes in its delivery; and no member shall speak longer than five minutes, nor more than one time on any subject, provided each essayist be allowed ten minutes in which to close the discussion.

Sec. 5. All papers before the Association, or any of its sections, shall be the property of the Association. Each paper shall be deposited with the Secretary when read, or within ten days thereafter.

Sec. 6. No paper shall be published except upon recommendation of the Publication Committee, which shall consist of the Secretary as Chairman, with the Chairman and Secretary of each section as its constituent members.

TECHNICAL EXHIBITS

At the St. Louis meeting may be expected the highest type group of technical, sometimes called commercial, exhibits attended by a group of specialized and courteous representatives who are concerned only with being of service to those physicians attending the meeting.

A policy adopted eleven years ago for making the exhibits more worthwhile has been generally accepted by the various commercial houses, and personnel of the various booths will be found willing at every turn to keep the exhibits on a dignified plane.

The policy is concerned with (a) *selling*, (b) *samples* and (c) *souvenirs* and for clarification the following short explanation is given: (a) the atmosphere of the exhibit is to be that of show and demonstration and not of selling. Should a physician wish to purchase an item on display it is permissible for the exhibitor to take his order for the item either for delivery from the booth or to be sent later—the technical exhibits are for the benefit of the attending physicians. (b) Samples and literature may be displayed within the exhibit and may be given out at the exhibit when the desire for them is indicated. It is permissible for those calling at exhibits to have their names taken for samples and literature to be sent from the home office of the exhibitor. (c) Souvenirs of any description cannot be given away at any exhibit or at any point in the hotels or meeting places.

The object is to make the Technical Exhibits more definitely a scientific and educational part of the Southern Medical Association meetings and therefore worth definitely more to attending physicians.

We urge you to visit the Technical Exhibits.

See page 89 for list of exhibit firms.
