

The Sunday School Store

Let's show kids that Easter is all about Jesus!

Thank you for downloading this coloring page bundle. Most of these illustrations were created by [Mandy Groce](#) and first appeared on [Ministry-To-Children.com](#). Over the years they have blessed millions of children. This edition had been digitally remastered to offer the highest possible resolution with vector SVG format.

For simplicity, we've included all the images in a single-PDF download. If you need access to single files, use this link to access them on Google Drive.

Like all our digital resources, you have unlimited permission to print, copy, share in your home or ministry group. Please use them however will bless the children (and adults) in your life.

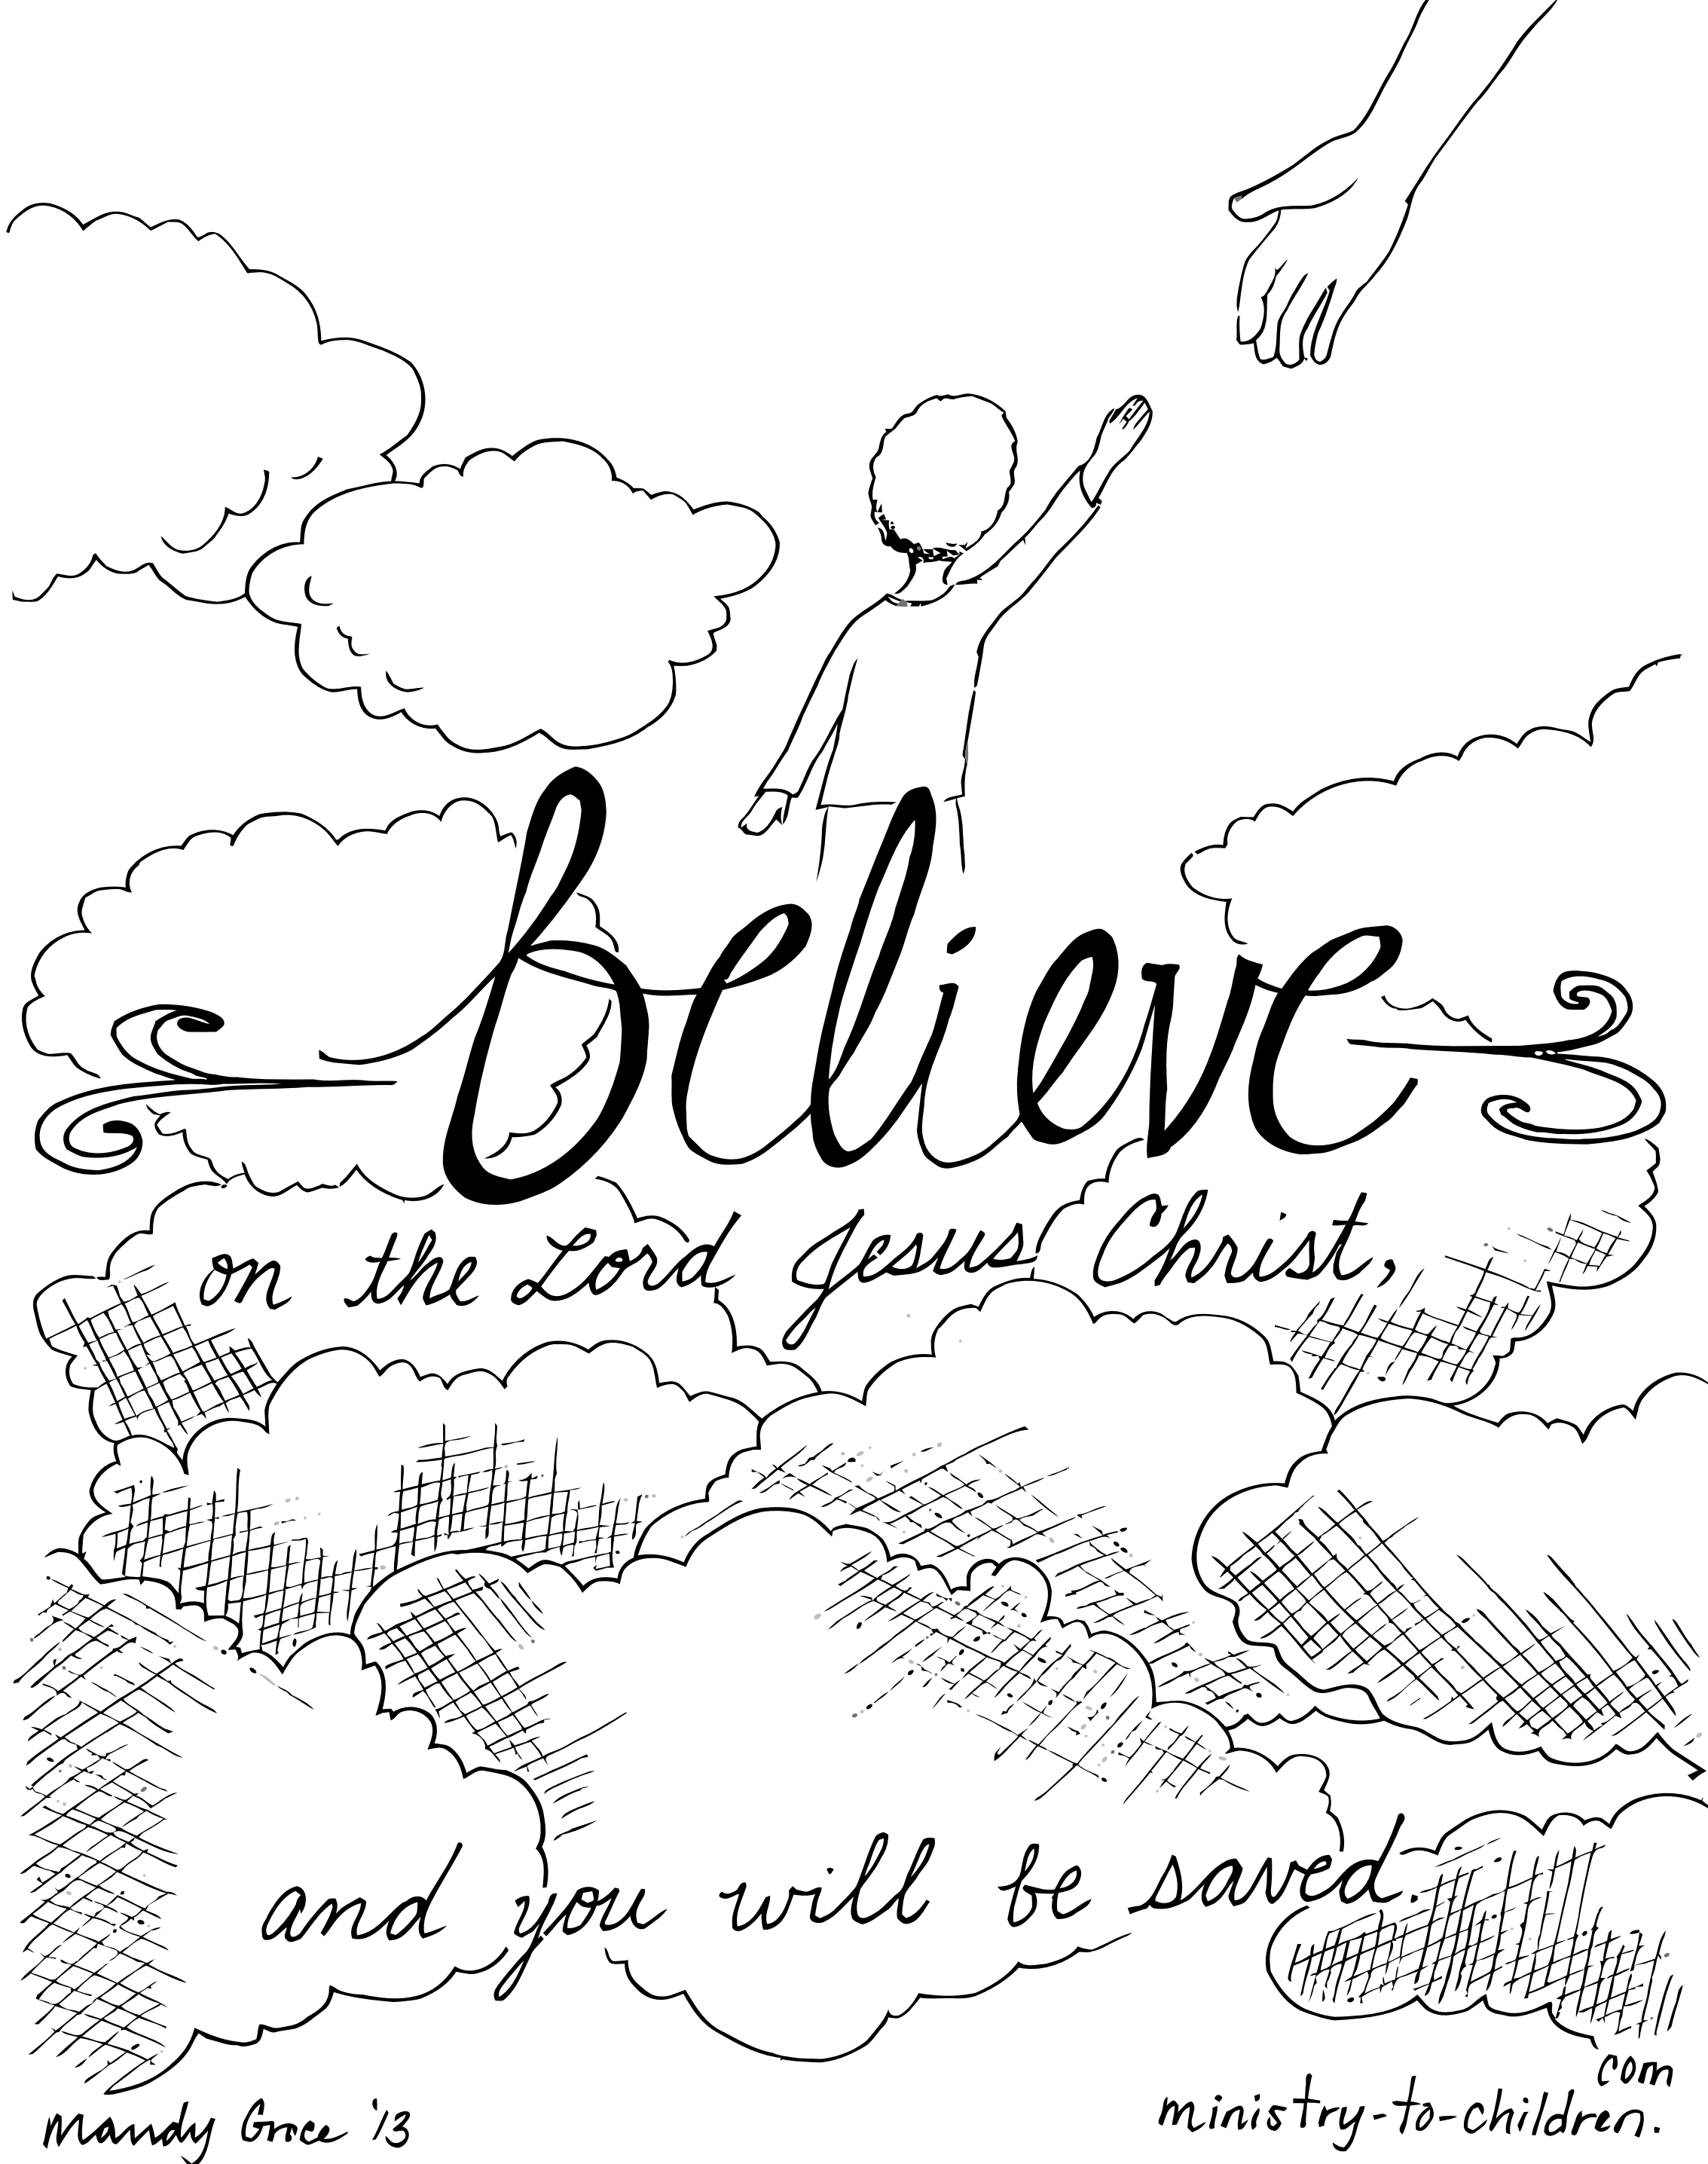

Our free resources are made possible by [reader donations](#) and churches who purchase from [The Sunday School Store](#). Please keep us in mind if your church is shopping for curriculum. Kids need the Bible more than ever. That's why our curriculum skips the gimmicks and gets straight to the Gospel. Our digital download format is half the cost of printed curriculum. Now you can teach with confidence, even when church budgets are tight.

If you care about Biblical faithfulness and good stewardship - you'll love our resources.
