Councils & Committees

To learn more, visit: austinchamber.com/membership/committees

AMBASSADORS COMMITTEE

Ambassadors serve as the welcome arm of the Chamber, welcoming new members and promoting member involvement. Ambassadors volunteer for company ribbon cuttings and foster engagement by hosting new members many civic and social functions.

AUSTIN BUSINESS OWNERS COUNCIL

The Business Owners Council provides resources for members to help navigate the challenges and opportunities for business advancement through advocacy, networking, and shared expertise.

AVIATION COMMITTEE

The Aviation Committee works with Austin-Bergstrom International Airport on expanding the airfield and improving service, frequency, and competitive prices for nonstop service. Chamber members are invited to join the council with the approval of the vice chair.

Expanding Austin-Bergstrom International Airport is critical to meet the region's growing demand for air service. An expanded airport also provides opportunities for more nonstop domestic and international flights to give Austinites access to more markets, more tourists, more jobs, and a better quality of life for our region.

EDUCATION & WORKFORCE COUNCIL

The Chamber Education & Workforce Council consists of C-Level business leaders who provide leadership on Chamber education and talent development strategies, policy priorities, and initiatives aiming to strengthen our Central Texas talent pipeline.

GOVERNMENT RELATIONS COUNCIL

The Government Relations Council facilitates bipartisan policy discussions among elected officials, government agency leaders, and Chamber members to strengthen relationships and inform the business community about policy issues affecting Central Texas. This council provides members with opportunities to engage directly with policymakers and gain insights into state and local policy priorities.

INFRASTRUCTURE COUNCIL

The Infrastructure Council discusses issues related to regional mobility and infrastructure. Chamber members are invited to join the council with the approval of the vice chair. Planning for future growth and ensuring the region has a solid foundation to support our growth. This means advocating for policies that allow people to live, work, and play across Austin. We believe accomplishing this requires taking an "all-of-the-above" approach, whether that be road expansion projects, transit investments, utility infrastructure, or micro-mobility.
