# 2025 NFR Preview - Top 16 in the World

A wild finish to the 2025 regular season rodeos at The Governor's Cup on the very last weekend of the year set the field for the Top 15 in the toughest year of rodeos barrel racers have ever seen. So you can fully expect the 2025 NFR to be an epic battle of barrel racing royalty. When the regular season closed Katelyn Scott filled the 15th spot with \$130,763 in earnings; almost 20k more than it has ever taken to qualify to the NFR!

An horse accident a couple weeks ago will keep #8 Anita Ellis from competing at the 2025 NFR so Julie Plourde (who was #16) will step in for her. Then an EHV breakout during the WPRA Finals will keep some barrel racers from riding their main horses; this just adds more twists to the plot after a wild year of rodeos. We have done our best to find out which horses everyone will be riding at the Thomas & Mack but it may change as we go into the 1st Round on Thursday Night.

All year long times have been so tight it takes a tough horse, a talented rider and some luck to even earn a check at the Pro Rodeos. All the women and horses that made it to Vegas this year can truly place or win a round. This year's payouts at the NFR allow anyone in the Top 15 to get hot and ride their way to the world title. The 2025 NFR Go Rounds pay \$36,668 to win them (about \$3k more than last year) and the Average Payout is \$94,036 to win (about \$8k more than last year). The #1 Cowgirl is Kassie Mowry with \$203,445 and #16 Julie Plourde enters the NFR with earnings of \$118,276; so a couple go round wins and an average check is all the separatates 1-15!

Throughout the year, each of the NFR qualifiers had a period where they were on a hot streak and dominated so it really will come down to who hits big in Vegas! It will be a blast to watch!

We would like to take this opportunity to thank all the Top 16 for their time all year long to get back to us with horse names, stories and the like. We really enjoy keeping up with each of your journeys. We wish you healthy, sound horses and fast times for 10 nights in Vegas!

Make sure on whatever form you can get it you have access to the Cowboy Channel by Thursday December 4 at 5:45 pm PT (8:45 ET)! We prefer the Cowboy Channel App so you can keep up with everything all year long and watch replays of all the rodeos!

Every year we like to include a few tidbits about each of the NFR Qualifiers so below is a little bit about each qualifier!

Here is a quick preview of the Top 16 followed by the our yearly Rundowns with the Top 16! This is our 19th year of doing Rundowns with the Top 16!

## #1 Kassie Mowry — \$203,445

The reigning world champion won Rodeo Houston over the winter allowing her to keep to her light rodeo schedule in 2025 going to only 28 rodeos and still maintain the lead in the world standings. Mowry has chosen to leave her #1 mount Force The Goodbye home for the NFR (he is healthy and happy at home). But she plans to run another great horse, CP He Will Be Epic (Will). Will has over \$700k in earnings and has won at all levels: futurities, derbies and rodeos. With Mowry being the sports All Time High earning rider at over \$8 million she can win on a variety of horses. Will is a winner so she has a very good shot to win the world on her huge grey beast Will!

## #2 Brittany Pozzi Tonozzi — \$194,716

In what could have been a rebuilding year with a different group of horses 18 time NFR Qualifier Tonozzi dominated all year long.

Winning the NFR Open and Rodeo Austin and winning a bunch at Rodeo Houston put Brittany Tonozzi in position for a fourth world title. Tonozzi will start on her big grey freakish athlete Sir Epic. He has won on every size of set up and with a 3 Time World Champion who has won \$3.6 Million at rodeos he will take to the lights of Vegas pretty quick.

## #3 Emily Beisel — \$189,005

Beisel rolls into Vegas after qualifying to her 7th NFR Qualification in a row and in those 7 years

she has racked up almost \$1.7 Million in earnings at pro rodeos. Beisel had another fantastic year riding a fleet of different horses. If my research is correct she won rodeo money on 6 different horses this year! Beisel plans to start the NFR on her amazing brown mare Ivory On Fire. The mare has won rounds at the NFR in both 2023 & 2024 and should be ready for another big showing this year. This could be the year where Beisel rides her way to her 1st World Title!

## #4 Hailey Kinsel — \$185,317

The 4 Time World Champion Hailey Kinsel carefully placed the All Time Money Earnings Barrel Racing Mare Dm Sissy Hayday (Sister) throughout the year for a shot at another world title! Sister, at 14 yrs old, has won about \$3.5 Million already in her career and still looks just as good as she did when she was 7. She obviously loves the Thomas & Mack, winning 25 rounds there in her career so far; she fresh and ready and we all know a fresh Sister is very hard to beat! ...especially in Vegas!

## #5 Megan McLeod-Sprague — \$174,974

McLeod-Sprague has been on fire pretty much all year long on her super fast bay Seis Corona. At 14 yrs old he is in his prime. He looked good all winter in the buildings and then transitioned into summer winning on standard patterns and pretty much every where they went. Seis Corona won San Antonio on a small pattern and also won big at The Governor's Cup on a short 14 second pattern so he should take to the Thomas & Mack like a fish to water. This should be a fun team to watch.

## #6 Lisa Lockhart — \$169,467

Lockhart is the All Time Leading Money Earners in the WPRA with \$3.8 million in earnings through her 19 NFR Qualifications. Her 19 NFRs have been consecutive from 2007-2025! She has had a string of great horses over the years and been so close to a world title several times. Blazin Ta Betty and Lockhart have been getting

in their groove together as the year went on! Blazin Ta Betty is a full sister to 2021 World Champion Famous Lil Jet (Jordan Briggs). Just a couple weeks ago Blazin Ta Betty & Lockhart dominated the Hondo rodeo winning over \$100k on a 13 second pattern so with a royally bred, talented young horse and the steady hand of veteran Lockhart on board this should be a team to watch. Lockhart may get her 1st world title in 2025!

**#7 Carlee Otero — \$168,493**

Otero started out the year seasoning a couple younger mares and ended the year with her 5th NFR Qualification! Her team of 7 yr old mares; the palomino Am Regina George and her buckskin Cathys Kandy, are both fast, fast! She will start on Am Regina George. Regina won rodeos all summer running extremely fast times. With LTE of \$1.1 million at the rodeos Otero is a veteran who knows how to help her young mares shine in the lights of Vegas!

**#8 Anita Ellis — \$146,991**

\*\*Out due to injury

Ellis may have gotten injured and be out for the 2025 NFR but her win at the Calgary Stampede just put the world on notice that she will be a contender in the future. Her talented young horses SGL Rico & RV Two Dash Ta Vegas are very tough to beat on any setup so look out for this team in 2026!

**#9 Halyn Lide — \$144,614**

Lide used a win at The Governor's Cup to vault herself into the Top 15 and finalize her 2nd NFR Qualification in a row. The EHV outbreak threw her a curveball as her great horse Jettin Ta Heaven (Keeper) is recovering from EHV (per her Facebook) at home while she makes the trip to Vegas. At press time she still didn't know for sure what she was riding. We all want to wish Keeper a swift and full recovery and Lide a blessed 10 days at the NFR. Anyone who has watched her ride knows how talented of a jockey she is so whatever she rides will have a chance to win!

**#10 Tayla Moeykens — \$142,560**

Moeykens and her horses hit another gear about half way through the summer and won their way to her first NFR Qualification! We have seen Moeykens in the Montana results for years and it is fun to see her venture out and show her talents to the world. She plans to start the NFR on DDD Streaknfirewater. Moeykens horses always work a great pattern and work on nearly every setup so I'm sure this 10 yr old sorrel mare will too. Recently Moeykens and another horse of hers, KN Fames Best Yet won \$39k at the Hondo on a 13 second pattern so Moeykens should be ready for the challenge of the NFR. This is an up and coming talent in the rodeo world and it will be fun to watch her at her first NFR!

**#11 Tricia Aldridge — \$141,182**

Unless you have been living under a rock the last couple years you have heard of Tricia Aldridge and her amazing 5 yr old palomino stud Adios Pantalones! This year they decided to head to the rodeos and they piled up the wins to qualify to their 1st NFR. Adios is now the All Time Leading Money Earning Barrel Stallion and has won on every type of setup. In fact, she was Reserve Champion at The Governor's Cup the last weekend of the 2025 regular season on a short 14 second pattern. Aldridge knows Adios so well and he is so adaptable they should shine in Vegas under the bright lights!

**#12 Hayle Gibson-Stillwell — \$140,032**

Gibson-Stillwell just won along all year long to qualify to her 1st NFR! Her homebred mount Buncha Dinero is so so quick and fast the smaller setup of the NFR ought to fit them well. Plus Buncha Dinero is a palomino mare sired by Pc Frenchmans Hayday; the sire of 2 other palomino mares that happen to be multiple World Champions: Dm Sissy Hayday (Sister - 4 world titles) & Mp Meter My Hay (Stingray - 2 world titles). Could Piper be his next world champion? Gibson-Stillwell has been placing in California over the years with a number of different horses so her talent was obvious so when she decided to go more you knew she would make the NFR. It will be exciting to watch her and her homebred run at the NFR!

**#13 Wenda Johnson — \$138,428**

Johnson won throughout the 2025 season to gather up her 6th NFR Qualification in a row! Her main mount for 2025 was Steal Money (Mo) who has earnings over \$700k in his career already at 9 yrs old. Johnson and Mo are both very experienced in the Thomas & Mack and have had past successes there so they know exactly what they need to do to get checks. Mo is one of the fastest and most explosive horses you will see so when he runs down the alley he is always a threat to win the round. Johnson is sitting at \$865k in WPRA lifetime earnings so with a good NFR she may be able to become a \$1 million dollar rider!

**#14 Andrea Busby — \$133,098**

Busby had another strong year in 2025 kicked off by her championship at the Ft Worth Stock Show & Rodeo to push her to 2nd NFR Qualification in a row! Last year, Busby lit up the NFR riding Jets Top Gun to the NFR Average title while placing in 9 of 10 rounds and winning \$227k. They also set the NFR Average record at 136.18. This year Busby plans to start on Hanksntheastlane; a really nice 6 yr old buckskin gelding by The Goodbye Lane who sired the 2024 World Champion Force The Goodbye who was 6 last year during his title run. With Busby's experience last year and a great

string of horses she is ready for another great NFR!

**#15 Katelyn Scott — \$130,763**

Scott got paired up with Justa DTF Frenchman (Peanut Seed) over the summer and never looked back to qualify to her 1st NFR. Peanut Seed caught fire over the summer and won a variety of setups running super fast times. Just a couple weeks ago the pair swept the Turquoise Circuit Finals, winning all 3 go's and the average by over 6 tenths. This pair is definitely one to watch in Vegas this year and for the years to come. This is just the beginning for them!

**#16 Julie Plourde — \$118,276**

When Anita Ellis had to draw out due to injury, Julie Plourde got the call to move into the Top 15! Plourde had been in the Top 15 most of the year and was until the very last weekend of the year. This is her 1st NFR Qualification. She won along all year long on her two young geldings — Kf Epic Ta Fame & Wateverock RC. She will start out the 2025 NFR on Wateverock RC (Rocky). Her horses all work so nice that Rocky should shine at the NFR. This is another 1st time NFR Qualifier that is an up and coming talent to keep an eye on at this years NFR and the years to come!

**BRR:** What was your most important win of the 2025 rodeo season?

**Mowry:** Winning Rodeo Houston was my most important win this year. It is by far the most challenging arena for me to run barrels in. The chunk of money there helped me to keep the rodeo count low on my horses for the year.

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**Mowry:** Jarvis is a once in a lifetime type of horse. There's not much I can really fault him with. He can be competitive in any size pattern any kind of ground and not much ever phases him. I rotate Will and Emmett on the rig throughout the year to help keep the runs off of Jarvis I always choose pens that I think will suit them and that they've had success at in the past.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Mowry:** I always enjoy going to Bremerton. The committee does a great job with the ground and I've won some pretty cool knives from there.

**BRR:** Music or podcasts?

**Mowry:** I mainly listen to music or Audible.

**BRR:** What is your favorite road snack?

**Mowry:** RX bars keep me going

**BRR:** What is your horse's favorite treat or reward?

**Mowry:** My horses love the German muffin cookies

**BRR:** What's your favorite drink while you are rodeoing?

**Mowry:** Water or if I need a pick me up I like the Celsius drinks.

**BRR:** Favorite gas station on the road?

**Mowry:** Mavericks are always my favorite gas station. I love that they have fuel, def and gas at the same pumps so you can fill your whole rig up.

**BRR:** If you get down time and have a chance to eat out; what type of food do you go for?

**Mowry:** Always ready to go to a good steakhouse.

**McLeod-Sprague:** Main man is Seis Corona (Jagger) - 14, bay, gelding, tall, the best boy! #myhearthorse  
 He is like a big puppy dog, loves to be loved but when it's game time, he's all business. He always likes to be the center of attention.  
 Ticket Ta Heaven (Ticket) - 6, sorrel, mare, shorter than Jag, very stoic and business like. She also loves to be loved, she's just not as outwardly affectionate as Jagger.

Cowboy Ta Fame (Vice) - 2013 Sorrel gelding by Cowboys Cartel out of FC Peachfuzz Ta Fame

**BRR:** What are your main horse(s) Lifetime Earnings approximately?  
**McLeod-Sprague:** Approximately \$310,000

**BRR:** What was your most important win of the 2025 rodeo season?

**McLeod-Sprague:** 2nd at Fort Worth. It was his first rodeo back and I knew he still had “it”! It set the stage for the rest of the year and gave us both the confidence we needed to set big goals!

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**McLeod-Sprague:** His incredible grit and his tenacious personality. He’ll clear a warm up arena in a hurry and give 110% every. single. time. He knows he’s special too. I think most of the good ones do!

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**McLeod-Sprague:** Homedale, Idaho. It’s a great little rodeo that is put on by a great committee. They are all such hard working folks doing their best to put on a first class rodeo. They gave BEAUTIFUL buckles this year. They bring in top end stock and work very hard on the ground. It’s just all around a great rodeo!

**BRR:** Music or podcasts?

**McLeod-Sprague:** I mostly listen to True Crime or How I Survived type stuff. My husband listens to a lot of Joe Rogan which I usually enjoy. Sometimes we jam out. Honestly through, my favorite thing is visiting with my husband while traveling.

**BRR:** What is your favorite road snack?

**McLeod-Sprague:** Hard boiled eggs, avocado, and elk summer sausage!

**BRR:** What is your horse’s favorite treat or reward?

**McLeod-Sprague:** He loves German Horse Muffin treats! He gets a lot of them too! He’s funny though, if it’s game time, he has no interest in them!

**BRR:** What’s your favorite drink while you are rodeoing?

**McLeod-Sprague:** Water and energy drinks. I try not to drink energy drinks too often but they are a go to.

**BRR:** Favorite gas station on the road?

**BRR:** If you get down time and have a chance to eat out; what type of food do you go for?

**McLeod-Sprague:** Steak. We love a great steak and it’s even better when we get to share it with friends. We rarely choose another meal.

what are your horses extra special qualities?

**Ellis:** Both my horses are so willing to give it their all and run for me.

Rico being only five is so fast, talented, willing and trusting. I felt confident with him when I ran him in Calgary, which was his very first rodeo with a crowd and only third outside run.

Axe is small but he is very efficient and doesn't waste a step, and is fast. I've built my barrel racing carrier on the back of Axe. I started from scratch with Axe being my first horse. The money he has won has allowed me to build my horse pens, arena and even get Rico when he was a yearling. Axe is so special to me and I can count on him giving me 100% every time and he does.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Ellis:** The Wilderness Circuit has so many gems. I'm partial to all the little Idaho rodeos. Jerome, Blackfoot, Filer & Gooding, Filer this year was my favorite. The ground was so consistent through the entire rodeo, just a fun little town.

**BRR:** Music or podcasts?

**Ellis:** I listen to audiobooks while I travel, and I take a few minutes every day to listen to something uplifting for me. It's important for me to stay level.

**BRR:** What is your favorite road snack?

**Ellis:** Definitely beef jerky or mixed nuts.

**BRR:** What is your horse's favorite treat or reward?

**Ellis:** Both of my horses like apple flavored horse treats and love their grain.

**BRR:** What's your favorite drink while you are rodeoing?

**Ellis:** I drink a lot of coffee and orange rockstars on the road.

**BRR:** Favorite gas station on the road?

**Ellis:** My nine year old daughter, Quincy, tells my older kids she gets tired of being on the road and ends up staying home with them sometimes, because she says all she eats is yogurt and Maverik food, so I guess I would have to say Maverik.

**BRR:** If you get down time and have a chance to eat out; what type of food do you go for?

**Ellis:** We always go for a good steak house if we have the time. I also love sushi.

(Main) KN Fames Best Yet (Yeti) - 7 year old gelding by Dash Ta Fame. He is 16.1 and chestnut. He is a big lover, until you make him mad and then he can throw a pretty big fit (LOL) he loves his job and loves to please. He loves performances and not much bothers him except spraying his legs. We have had him since he was 5. Ever since we got him he just takes everything in stride.

JM PocketsDoubleDash (Lizard) - 12 year old gelding by GuyPocketFullofCash. He is 15.3 and Brown. He will do anything I ask and is game to do pretty much anything you want. He is cute and he knows it. Definitely does not lack confidence. Very turny and loves crowds. We got him at 6 months old and our family are the only ones to swing a leg over him. He has run out on the football field for Montana State University and has rode down main street Bozeman. I can also rope on him.

These two are the definition of when they talk about horses that have a lot of heart and try.

Dash of Blue Sky (Blue) - 19 year old mare out of Bobbies Dash Ta Fame. She is about 15.1 and sorrel. She is about as sassy as they come. Definition of a red mare. She wants it her way all the time and anything else is just annoying (LOL) but she loves her job and when you point her towards the pattern she is the happiest. She is just solid, point and shoot. She didn't start competing in Barrels until she was 13 and in under 10 runs ran a 17.8 on a standard. She won the College National Finals Rodeo in 2021.

JM Lenas French Lady (Little Lately) - 16 year old mare by GuysPocketFullOfCash. She is 14.2 and sorrel. She is my college rope horse turned into an NFR grand entry horse. She is the sweetest mare you will find, doesn't want to do anything wrong... until you're in the saddle and then she is a fire breathing dragon just ready to be turned loose. She also runs Barrels and is there if we need her!

DDD Streaknfirewater (Penny) - 10 year old sorrel mare by Firewaer Dancer out of Streak Dash by Pure D Dash

**BRR:** What are your main horse(s) Lifetime Earnings approximately?  
**Moeykens:** Yeti - Approx \$230,000; Lizard - Approx \$150,000

**BRR:** What was your most important win of the 2025 rodeo season?  
**Moeykens:** Definitely Pendleton, Hermiston, Heber City, making the finals in Cheyenne 2 years in a row. Any win is special!

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?  
**Moeykens:** I would say it is a horse that has the same grit, try, heart, and love for the sport as you do. They have to want it, and be just as excited about it as we are. All of my horses show this, they are my partners and I couldn't be more thankful.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Moeykens:** There are so many cool rodeos. Roundup, Montana is one of our favorites to go to. It is in such a pretty setting and it is just a nice hometown rodeo. It is hard to narrow it down though because there is something special about every one of them.

**BRR:** Music or podcasts?

**Moeykens:** Country music! We just find whatever country station is around that area or we use our KSKY App to stream the radio from back home.

**BRR:** What is your favorite road snack?

**Moeykens:** Cheese Sticks

**BRR:** What is your horse's favorite treat or reward?

**Moeykens:** Delicious Horse Treats and carrots

**BRR:** What's your favorite drink while you are rodeoing?

**Moeykens:** Mostly water in the summer because it tastes the best, but I'm always down for a good sweet tea. We frequent coffee shops

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**BRR:** What are your main horse(s) Lifetime Earnings approximately?

**Gibson-Stillwell:** It is Piper's 2nd year competing and I think she's around 250k earnings.

Fancy is probably around that and Sharky probably \$100k

**BRR:** What was your most important win of the 2025 rodeo season?

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**Gibson-Stillwell:** What makes my horse Piper special is her consistency and try in every set up. She's a warrior- always ready to say yes and give it her all. She knows and loves the game which makes her gritty. She's a homebred, raised and trained mare which makes her even more special!

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Gibson-Stillwell:** A small rural town in what feels like for some- middle of no where Northern California. You think your lost driving out there and if you take the wrong road it'll be sketchy but when your there its beautiful rolling hills by a lake with the best crowd who LOVES rodeo!

## #14 Andrea Busby, \$133,099

Hometown: Millsap, TX - Joined WPRA: 2008

WPRA Career earnings: \$689,896 - NFR Qualifications: 2 (2024-25)

**BRR:** Which horses are you taking with to the finals?

**Busby:** **\*\*Will start out Round 1 of the NFR on Hanksnthefastlane (Goodbye).**

**Born On Derby Day (Derby):** 8 year old red roan quarter horse mare 15hh & 1220lbs, runs in a Pozzi three piece locked with a leather curb - she will be my main NFR horse this year - she is very sensitive and extremely quick. Owned by Busby QH

**Blazing With My Dude (Tito):** 10 year old sorrel mare by Blazin Jetolena and out of Brittany Diaz's NFR mare Rootie, 15hh & 1130lbs. Runs in the Sue Smith Elliott claimer bit, BQH owns her - she is super quick footed, runs good inside or outside, very forgiving and easy to ride. Owned by Busby QH

**Hanksnthefastlane (Goodbye):** 6 year old buckskin gelding - 16hh & 1280lbs, runs in a short shank 3 piece with a leather curb inside and the Sue Smith Elliott claimer bit outside - he's big and strong and very honest to run! Owned by Busby QH

**Diamond Center (Heff):** 9 yr old buckskin gelding. Runs left- Sue Smith owns him - we call him the "family horse" Sue rides him, Kyle rides him and I'm lucky enough to get to ride and run him. Sue is incredibly generous to let me on him! I ran him 4 times at the end of 2024 trying to secure my first trip to the NFR and won money on him every time! He's a lot of fun to run!

**BRR:** What are your main horse(s) Lifetime Earnings approximately?

**Busby:** Derby - \$418,597; Tito - \$183,751; Goodbye - \$168,791

**BRR:** What was your most important win of the 2025 rodeo season?

**Busby:** Fort Worth was a great win for Derby and I. It's early in the year, so it set my winter up good and was great for my confidence in her at the indoor rodeos

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**Busby:** Derby is such an incredible athlete and just tries her heart out every single trip.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Busby:** Westcliffe, Colorado - I didn't get to go this year but it's a great rodeo and they are improving it every year!

**BRR:** Music or podcasts?

**Busby:** I alternate between music and podcasts...I love a good murder mystery but I have to be careful on the narrator if I'm in the drivers seat - some can put me right to sleep. We listened to a lot of crime junkies this summer - makes you think twice before stopping for fuel in the middle of nowhere late at night! LOL!

**BRR:** What is your favorite road snack?

**Busby:** Dill pickle sunflower seeds - Spitz brand

**BRR:** What is your horse's favorite treat or reward?

**Busby:** Mrs Pastures cookies

**BRR:** What's your favorite drink while you are rodeoing?

**Busby:** Favorite Drink is probably a Poppi, water or Ice Tea unsweetened

**BRR:** If you get down time and have a chance to eat out; what type of food do you go for?

**Busby:** If we have time and find one - a good steak house is my pick!

**BRR:** What are your main horse(s) Lifetime Earnings approximately?

**Scott:** Justa DTF Frenchman - \$95,640 LTE

**BRR:** What was your most important win of the 2025 rodeo season?

**Scott:** Caldwell ID - I had placed along at so many rodeos and am grateful. Yet, the win at Caldwell seemed to turn things around for me and gave me momentum to keep going. It was my first, first place win at a major rodeo this year.

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**Scott:** All of my horses are special to me as all 4 that I ran this year placed and helped. But, Peanut really shined for me this year. I got him out there and pretty much just threw him to the wolves in set-ups that he had never seen before. I feel that the fluency in his turns and his forward motion helps him to be fast.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Scott:** Akron, Co. I walked up and replaced at this rodeo. The ground stayed even through slack to the perfs. They tried hard on their hospitality and they have plenty of room to set up pens.

**BRR:** Music or podcasts?

**Scott:** Both! I listen to a pretty wide variety of music. Some of my favorite podcasts are by Jamie Winship but I also listen to some more rodeo type ones.

**BRR:** What is your favorite road snack?

**Scott:** Light cheddar popcorn.

**BRR:** What is your horse's favorite treat or reward?

**Scott:** He's picky on his cookies so I keep a mix.

**BRR:** What's your favorite drink while you are rodeoing?

**Scott:** If it's early in the morning I'm going to have my coffee. After that water or the pink drink.

**BRR:** Favorite gas station on the road?

**Scott:** Maverik. I can get diesel, def & gas for the generator all at the same pump.

**BRR:** If you get down time and have a chance to eat out; what type of food do you go for?

**Scott:** Steak or Italian.

## #16 Julie Plourde, \$118,276

Hometown: Quebec, Canada - Joined WPRA: XXX

WPRA Career earnings: \$XXX,XXX - NFR Qualifications: 1 (2025)

**BRR:** Which horses are you taking with to the finals?

**Plourde:** Waterrock RC (Rocky) - 7 yr old, sorrel, gelding, 15.3 owned by me & my husband Yves Morissette

Famous Mic Guy Ver - 10 yr old, Grey gelding, 16h owned by Tiany Schuster and Edwin Cameron

**BRR:** What are your main horse(s) Lifetime Earnings approximately?

**Plourde:** My ultimate main horse is Epic (Kf Epic Ta Fame) but Epic is recovering from an injury and he will be back in 2026 his LTE are 294K & Rocky is at 75K.

**BRR:** What was your most important win of the 2025 rodeo season?

**Plourde:** Clovis, California was super meaningful I won 2nd in the average but won the 2nd round with the fastest time of the rodeo. That rodeo really gave me the kick and confidence for the 2025 season. After that rodeo I knew I had 2 good horses that could compete with the best!

**BRR:** We know it takes a very special horse to qualify to the NFR, what are your horses extra special qualities?

**Plourde:** Epic won most of my 2025 money earning this season 80K while Rocky won around 37K.

They are both super special to me and they are like 2 little twins; exact same color exact marking except Rocky as a white spot on the but and Epic a black spot. Consistency was the key of 2025, until mid August my horses placed at 85% of the rodeo we have been.

**BRR:** What is a hidden gem smaller rodeo that people may not know about but is a cool rodeo?

**Plourde:** Filer, ID the committee were so nice to me and helpful. After the rodeo they brought us food from the hospitality came to the trailer asked if we needed anything and free chiropractor. Committee was really super nice.

**BRR:** Music or podcasts?

**Plourde:** My musical repertoire is pretty weird (LOL) it's pretty much half French music and country music!

# Blake Molle & WildChildsGotCashUno Dominate Maple Leaf Circuit Finals Rodeo

By Tanya Randall

1.67 seconds.

That was the margin of victory in the four-run average for Blake Molle and WildChildsGotCashUno (“JJ”) at the Maple Leaf Circuit Finals Rodeo, held November 27-30 in Regina, Saskatchewan.

“He’s pretty cool,” said Molle, who wanted to thank Graf Mechanical, LLC, the senior partners who own the 8-year-old gelding. “They’re the whole reason I have JJ. Graf Mechanical essentially changed my whole life. I’m so grateful to them for putting JJ in my life.”

The newly minted team from Charvin, Alberta, won all four rounds of the event to win \$9,390 and earn the right to compete alongside year-end Maple Leaf Champion Jayden Wilson at the 2026 NFR Open at Colorado Springs in July.

Molle, 19, was paired with JJ in early August, thanks to Graf Mechanical, longtime family friends and sponsors of her father Kris Molle’s Chuckwagon team. When they said go find a National Finals Rodeo worthy horse, Molle’s mother Wendy called Kelly Allen, from whom she had previously purchased a horse.

Although Allen didn’t know of anything that fit that bill right off hand, the Molles, who were stateside for the NFR Open and few other rodeos, were waiting for the pro rodeo in Utah, when they remembered JJ, who Allen had used the year she finished 17th in the WPRA World Standings.

“We were just driving along, and I said to my mom, ‘I know of a horse. Where’s JJ?’ She said, ‘I don’t know. Call Kelly,’” Molle recalled.

The Joy Wargo-trained gelding now belonged to the Butler fam-

## WINNING WILD CHILDS

Tana Renick’s great mare XV Wild Child (“Teddy”) was a force to be reckoned with in the arena, and she has left a winning legacy in her offspring.

The daughter of Whos Salty Dog, a grandson of Tiny Charger, that also traced back to Doc Bar and Ed Echols in the third and fourth generations of her maternal line, came within the reach of the National Finals Rodeo twice only to have injury to either herself or her jockey cut the journey short.

Teddy and Renick were six-time circuit finals rodeo qualifiers, having qualified twice in the Texas Circuit and four times in the Prairie. They were Prairie Circuit Champions twice, winning in 2010 and 2012. In 2011, they won the Dodge National Circuit Finals Rodeo, today’s NFR Open.

With Blake Molle’s domination at the Maple Leaf Circuit Finals aboard WildChildsGotCashUno (“JJ”), Teddy has now produced two circuit finals rodeo champions. Her first was JJ’s older brother, Wild Childs Fling (“Fonzie”).

Fonzie, a 2016 gelding by Streakin Boon Dox, carried Renick to the 2024 Prairie Circuit Finals Rodeo Championship. They won by a healthy margin too, by more than 4/10ths.

JJ, the only survivor of two Bugemforcash foals—hence the ‘Uno’ in his name, dominated the Maple Leaf Circuit Finals Rodeo winning by nearly 1.7 seconds with his new jockey.

ily and had run and placed a couple of rodeos with Amanda Butler and her sister Lauren Porter. As a twist of fate, he was just 20 minutes from where the Molles were planning to rodeo in Utah.

“I tried him July 22,” Molle said. “I really liked him. My mom said she thought it was a match made in heaven. A week later we purchased him. He was the only horse I tried. All the stars aligned. I just had a feeling that he was the one. I fell in love with him right away. He was a lot more horse than I had ever gotten on before.”

Molle, who was on the bubble to qualify for the Canadian Finals

Maple Leaf Circuit Finals Continued on Page 50

Rodeo, made her first competitive run on JJ at Strathmore, Alberta, one of the season's richest rodeos. Although JJ had a slip and Molle elected to cruise through the rest of the pattern, they still placed. Stumbles at the following rodeos led Molle to change JJ's shoes to ones more suitable to Canada's ground.

Then they dropped the hammer.

"He went straight to winning," said Molle, who won rodeos in Pincher Creek, Nanton, Millarville, Merritt and Langley at the season's end.

"I knew the caliber of horse that he was, but I didn't know when we'd start to click or win. I took a liking to him pretty fast, and I think it was the same for him. It's like a bond started to form right away.

"I could really feel it at circuit finals. We started to come together as a team. We just gelled. That was aiming for each round, for him and me to figure each other out exactly. Anything I lagged on, he saved me and anything he needed, I helped him. We just really clicked there."

Molle's goal is to make an NFR run in 2026. She'll head stateside for the winter rodeos.

"It's felt like a dream since I got JJ," said Molle, who is also looking forward to competing at the Calgary Stampede, alongside her father and brother, who are chuckwagon drivers. "I just tell myself that God has a plan. If it's meant for you, it will be. If it's not, it's not. I'm just enjoying the right, being so grateful and blessed."

## Anita Ellis Forced to Turn Out of NFR, Julie Plourde to Replace Her

On November 15, 2025, Wrangler NFR qualifier Anita Ellis had a serious fall from her futurity horse and hit her head when she landed on the concrete at the arena in South Jordan, Utah. She was transported to the hospital in Salt Lake City where she remained until November 25 when she was released to go home to continue outpatient therapy.

Prior to the accident Ellis of Blackfoot, Idaho, was preparing for her first NFR. While her recovery is progressing her team of doctors have not released her to ride at this time, resulting in the difficult reality of having to turn out of the 2025 NFR.

With that decision Julie Plourde of Krum, Texas, who is ranked 16th, will now take Ellis' place and have an opportunity to run at her first NFR. She will be awarded back number 119.

## San Antonio Rodeo Qualification Rule Change

Due to the unfortunate EHV-1 equine herpes virus outbreak November 19, 2025, the San Antonio Stock Show & Rodeo made the decision to cancel the Uvalde qualifier in conjunction with the recommendation of the Texas Animal Health commission regarding equine events.

Qualification for the 2026 San Antonio Stock Show & Rodeo will now be as follows: The Top 10 contestants in each of the four events that were completed in Uvalde (Bulls, Bareback, Saddle Bronc and Team Roping) will qualify for San Antonio Stock Show & Rodeo.

The remainder of events (Tie Down Roping, Steer Wrestling, Breakaway Roping and Barrel Racing) will revert to the former rule prior to hosting of the qualifier event which is: the Top 10 Current-year money earned will qualify for the San Antonio Stock Show & Rodeo.

The decision was made in conjunction with the PRCA & WPRA.

# HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

Here we go into one of the busiest months of the year. Don't panic...RESPOND! I think that's going to be my new favorite word. Mike taught on it last week. Luke 11:28 says we're blessed when we hear and obey. But "respond".

Guess the word itself struck me. In horse training, I want my horses to respond to cues and to do it quickly. When they do, it's like smooth as glass, or soft as butter. It's a wonderful, easy flow.

HOW MUCH MORE will our life flow when we do what God says. He's so much smarter than we are. He loves us so much and would never hurt us or set us up to fail.

The Bible says in 2 Cor. 2:14 that He ALWAYS causes us to triumph. If I knew that every time I swung my leg over the saddle I would win, because I had taught that horse the right response, the sky would be the limit.

For us as God's children, He is teaching us and leading us and guiding us so that we ALWAYS triumph. How do we do it? By RESPONDING to what He teaches us in the Bible.

Start in Matthew, then Mark, Luke and John. Jesus Himself will lead you!

Mike and Sherry Morrison pastor "Church at the Barn" in Gillette, WY. They also travel to other areas ministering at barrel races, ranches, rodeos, churches and home Bible studies.
