PUTTING THE FUN IN FUNDRAISING

Our PTO parents flexed their creative, logistical, and literal muscles to produce our first-ever gala fundraising event to benefit equipment for our new gymnasium. Over 230 guests came and gave generously to our silent auction, including one-of-a-kind experiences hosted by our amazing teachers, exotic trips, and gift baskets galore. It was a memorable night that set a high bar for our yearly gala events. We hope to see you again this year in February 2024!

LOOKING FORWARD

What a year it's been! Our third year as a PTO saw us expanding into new areas such as corporate sponsorships for events and clubs as well as our inaugural gala fundraising event.

This year, we will continue to raise additional funds for gym equipment, support our first ever graduating Class of 2024 with their graduation and senior year activities, and continue to assist our students and teachers behind the scenes, whether by delivering pizzas, hosting staff appreciation events, or helping to foster a safe and supportive community for our Legacy families.

I would love to see more parents get involved this year through our various committees, volunteer opportunities, and by joining our quarterly PTO meetings.

Thank you for having me as your PTO President – let's have a great year!
