NOTES

Prior to 1959, the Section Titles were awarded by the Executive Committee of the NJSIAA.

Prior to 1959, Non-Public North and South Titles were awarded by the NJSIAA.

From 1959 to 1970, the tournament was competed as far as the Section Final.

Prior to 1971, the Non-Public baseball tournament was competed as far as the North and South Final.

Non-Public C grouping was discontinued after 1978.

Due to the COVID-19 pandemic, State Championships were not held in 2020.

The New Jersey State Interscholastic Athletic Association strives to make each sport's Championship History Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.

Championship History is updated on a seasonal basis when possible.
