## Company Summary

**Prov 205 Psychological Services** is a minority-owned mental health provider and certified Small Business Enterprise based in Bayonne, New Jersey with over 14 years of experience. Our group practice offers a wealth of expertise in various therapeutic modalities and mental health specialties for children, adults, geriatric, couples, families, group therapy, and organizational support. We also conduct forensic, immigration and child welfare evaluations, and expert court testimony to meet the complex needs within the legal and mental health fields. We are committed to delivering high-quality psychological services both locally and beyond.

## Core Competencies

- **Forensic, immigration and child welfare evaluations and expert court testimony**
- **Professional development for personnel and administrative leaders** in the fields of law, juvenile and criminal justice, education and healthcare
- **Culturally and spiritually sensitive psychotherapy** for children, adults, geriatric, couples, families, and group therapy
- **Therapeutic approaches** include CBT, Client-centered, Existential, Psychodynamic, Solution-focused, Play Therapy

## Past Performance

- Professional development for educators and district leaders, to enhance their ability to support student mental health and academic achievement.
- Forensic evaluations and expert court testimony in family, immigration and criminal cases, supporting the judicial system with professional mental health research and insights.
- Educational assessments for school special services, ensuring appropriate support for children in need.
- Spirituality-informed counseling and support services to clergy and parishioners; integrating faith and mental health care.

## Featured Clients

- Jersey City, Guttenberg and Roselle Park Public School Districts
- Department of Child Protection & Permanency
- Office of the Public Defender
- Seton Hall Law School, Immigration Clinic
- Rutgers University, Juvenile Justice & Youth Development
