Power Electronics Corporate Genealogy

The diagram illustrates the corporate lineage of Lucent Technologies. It features a horizontal timeline from 1958 to 1998. Vertical blue bars represent the operational periods of various companies. Arrows indicate the following key events:

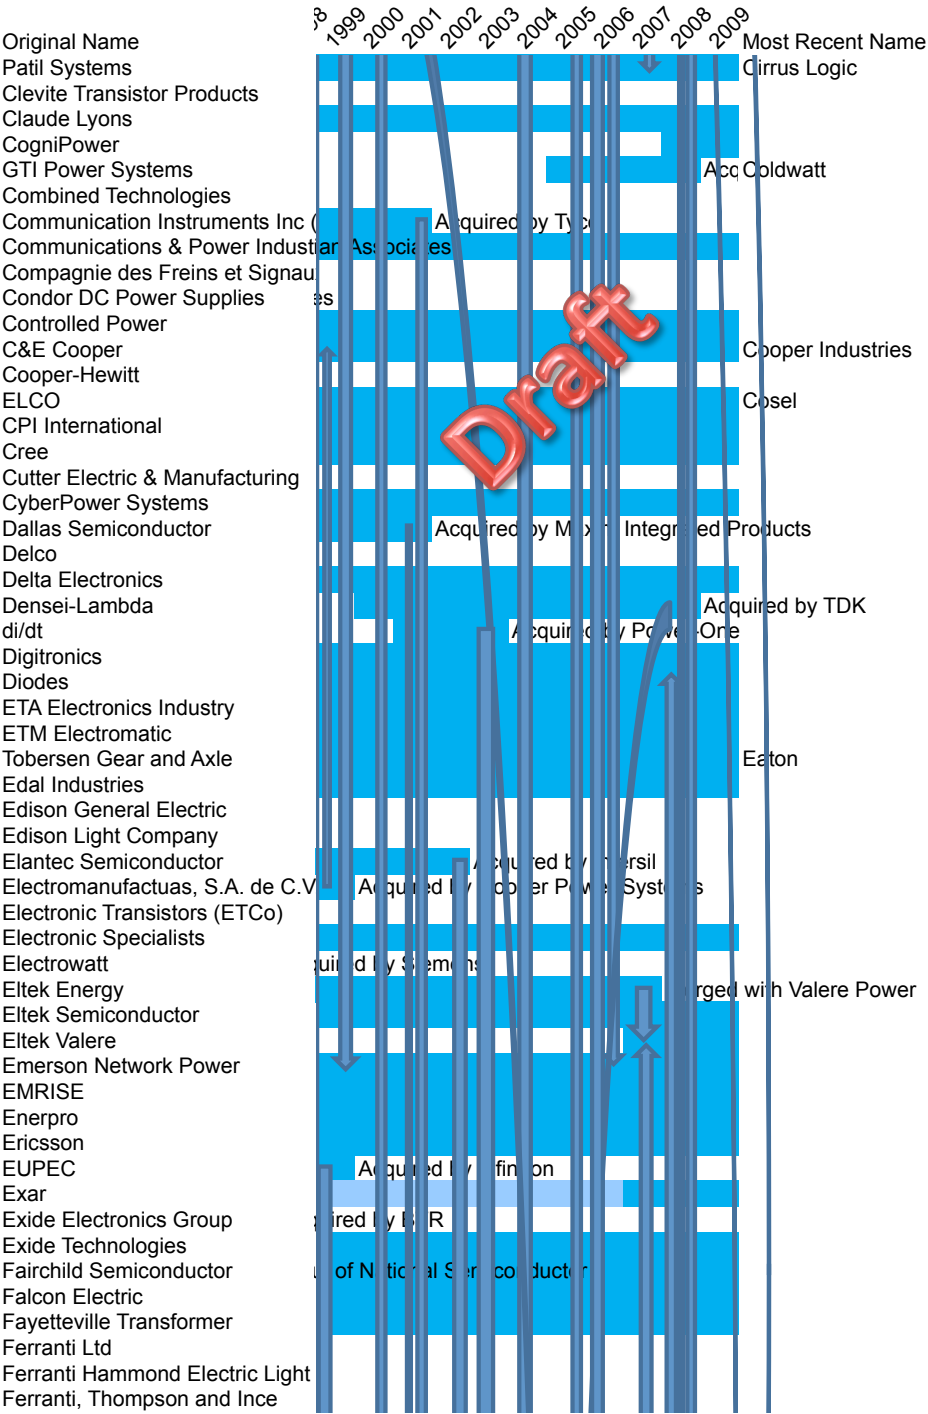

- 1986:** Merged with General Telephone
- 1987:** Merged with SCS Microelectronics to form Lucent Technologies
- 1991:** Acquired by Visha
- 1992:** Acquired by Raytheon
- 1993:** Acquired by Unitech
- 1994:** Lucent Technologies

A large red "Draft" watermark is prominently displayed across the center of the diagram.
