⁸ Shooting with the compound bow was changed as a test for the season April 1, 2010 - March 31, 2011: After the qualifying round, the knockout rounds were shot on a hit-miss target. This target has a 10 cm hit zone (value 1) and a 30 cm miss zone (value 0). A match consists of four sets of 3 arrows each. Only the medal matches consist of six sets. If a match ends in a tie, there is a single-arrow-shootout. After this system had not proven itself, there was a "conventional" elimination match again from April 1st, 2011.
