**CONSULT ALL
OUR INTERNATIONAL
AGREEMENTS**

“At UIC Barcelona, unlike other universities, the focus is on practice, not on theory. That’s what helped me the most in my learning: a methodology based on clinical cases, teamwork, and many hours in work placements, both clinical and at the Centre for Advanced Simulation.”

AIDA JIMÉNEZ

Alumni
on the
Bachelor’s
Degree in
Medicine

UIC Barcelona offers a patient-oriented medical course. You will acquire a broad scientific foundation, as well as the ability to care for any patient you may encounter within the healthcare system.

Our curriculum is fully recognised by the European Higher Education Area. Our healthcare specialists will teach you through innovative and interdisciplinary methodologies, in order for you to develop the scientific and soft skills needed by future society.

On the Bachelor's Degree in Medicine, you will be in contact with patients from day one. As a student, you are at the centre of our mission and you will be involved in all decisions regarding the degree programme.

STUDENT PROFILE

If you believe that medicine is your vocation and are committed to helping society through your knowledge of science and healthcare, then this is the degree programme for you.

Grounded in human values, our programme emphasises patient-centred care.

We place great reliance on critical thinking, clinical reasoning, sensitivity, interpersonal skills and teamwork.

FACILITIES

You will study at our Sant Cugat campus, **part of the General Teaching Hospital of Catalonia**, and make use of our Centre for Advanced Simulation.

This facility, of over 1,000 square metres, includes an outpatient department, a home care centre, surgical and specialist departments, and a further hospital area with 16 beds.

In addition, you will have access to training, debriefing and image control rooms, with video recording installed in all areas.

You may also make use of the anatomy unit, with three dissection rooms, bone collection, and a biochemical lab.

WORK PLACEMENTS

You will have more than 2,200 hours of clinical practice during your degree course and international internships through our exchange agreements and Erasmus.

We have a ratio of one tutor per student and internship agreements with institutions at both national and international levels. We offer:

- 3 university centres
- 16 associated centres
- 1 university primary care centre
- 20 primary care associated centres

99% OF OUR STUDENTS EXCEED THE MIR (MEDICAL RESIDENCY TRAINING) CUT-OFF MARK.

THE FACULTY OF MEDICINE WITH THE BEST ACADEMIC PERFORMANCE IN SPAIN*. 97.7% OF OUR STUDENTS PASS ALL THE CREDITS THEY ENROL FOR.

**ONE-DAY
ENTRANCE
EXAM:
9/5/2026
(FACE-TO-FACE
AND ONLINE)**

*According to the Ministry of Education and Vocational Training.

ABOUT UIC BARCELONA

Since 1997, we have been committed to making a positive impact on society.

Our mission is to educate individuals who contribute to humanising the transformation of society through professional excellence, the pursuit of impact, integrity and social commitment. We offer 16 bachelor's degrees, 11 double degrees, 52 international double degree programmes, 4 doctoral programmes and more than 70 master's degrees and postgraduate courses to a community of 9,400 students.

We have eight faculties located across two campuses in Barcelona and Sant Cugat del Vallès.

We believe in lifelong learning and provide personalised

guidance, a holistic, student-centred approach, ongoing professional engagement and innovative teaching and research methods.

We are strongly international in character, with people from more than one hundred nationalities living and studying on our campuses.

We are connected to society and the business world through 14 chairs, four business classrooms, six research institutes and three university clinics.

WE ARE A HUMANISTIC, SUSTAINABLE, INNOVATIVE AND GLOBAL UNIVERSITY AND APPEAR IN THE TOP NATIONAL AND INTERNATIONAL RANKINGS.

RATING

RANKINGS

FIND ABOUT ALL OUR RANKINGS

UNIVERSITY LIFE

Experience the best university experience at UIC Barcelona.

Studying at UIC Barcelona involves all-round personal growth.

We promote solidarity, culture and sporting values.

STUDENT SERVICES

We ease your transition into the university system and offer support throughout your academic journey.

We will help you with everything related to university life: **accommodation, grants and financial aid, educational support, workshops and extracurricular activities, student ID cards and more.**

We will provide advice about student halls, residences and other options that suit your needs. We are also part of **Barcelona University Centre (BCU)**, the official reception service for those coming to study or conduct research in Barcelona.

As a student at UIC Barcelona, you can take part in a variety of activities that complement your classes and enhance your personal and professional development such as: **theatre, painting, choir, reading, debate, exhibitions or competitions,** which will help you take your creativity to the next level and develop your **soft skills**, highly valued among employers.

We also offer sports activities and special rates and discounts at external facilities. Our teams compete in interuniversity leagues and competitions at Catalan, Spanish and international level.

In addition to this, the **Sport Talent programme** enables high-performance athletes to combine professional sport with their university studies and apply for a grant.

You can take part in solidarity projects and experiences that will change your life and the lives of others. We organise solidarity events such as **Social Day**, local volunteering initiatives and international volunteer programmes during the summer, offering you the chance to have a transformative experience.

INTERNATIONAL EXPERIENCE

UIC Barcelona's international commitment is embedded in our identity and across all our activities.

We are open to the world, which is reflected in our extensive network of international agreements and mobility programmes for students, teaching staff, researchers and administrative and service staff.

We offer around fifty international double degree programmes.

People from over one hundred nationalities live and study on both campuses, providing a cultural richness and diversity that form an integral part of the students' education and learning.

MENTORING & COACHING

Boost Your Talent is UIC Barcelona's personal development and mentoring programme, designed to support your growth throughout your studies.

Its aim is to help you understand your competences, identify your strengths and areas for improvement and certify these skills once you complete your degree.

Through this programme, you will receive guidance from a personal mentor who will accompany you in nurturing your talent and maximising your potential.

Furthermore, if after your bachelor's degree you choose to pursue a master's or postgraduate degree at the University, you will also have access to a coaching process to help you plan your next steps.

CHAPLAINCY

The Chaplaincy Service offers a space for **reflection, dialogue and spiritual growth** and organises activities open to the entire university community.

LINGUISTIC SERVICES

At UIC Barcelona, you may study multiple languages, both on-site and online, and certify your level of Catalan through official examinations. You may also take part in language support and welcome activities.

ALUMNI AND CAREERS

Once you have completed your studies, you will become part of Alumni UIC Barcelona, an international community of **more than 30,000 people.**

At UIC Barcelona, we believe that being a university student is a way of living and seeing the world, and through **Alumni, these values will continue to be part of your life.**

Our goal is to foster lifelong learning and professional development and to maintain strong connections with the community through networking and reunions.

Through the Careers Service, we offer a **comprehensive guidance service that enhances the employability** of both current students and alums. This includes a Job Bank, a mentoring programme and a professional guidance service, among many other resources and activities.

Discover all the activities and services at **alumni.uic.es**
