

SEPTA **key** partner > pass

The SEPTA Key Partner Program is for non-profit and social agencies that provide free transportation to their clients through a non-reloadable Key card called a Partner Pass. Partner Passes can be purchased in advance since they are not activated until the first tap on a SEPTA vehicle or at a turnstile.

The following steps will get you started:

1. Visit www.SEPTAKey.org and select the "Partner Program" Tab.
2. Click on the button marked "Partner Program Application".
3. Complete the information as it pertains to your organization. Please note, your organization name cannot be more than 50 characters and may not contain an apostrophe.
4. Click the Submit button. Your application will be sent to SEPTA for approval.
5. A representative from the Key Partner Program Call Center will contact you to create a payment profile. (Credit Card or ACH accepted)
6. If you select ACH, a \$1.00 non-refundable ACH test transaction will be conducted to confirm banking information.
7. An approval will be sent once your account is verified and you are ready to place orders.

Trip Passes

Trip passes have one free transfer with each base trip. Transfer must be used within 2 hours of first tap. Good for trips on SEPTA Metro and bus. Not valid on Regional Rail.
